INVITATION TO MEMBERSHIP

Every school in Wisconsin, which offers school work at the 9th, 10th, 11th, or 12th grade level, is eligible to join the association. The primary objective of the association is to provide training and experience in the various forms of speech. To attain these objectives the association conducts a three-fold program.

1. With the cooperation of a high school or state college it offers in various parts of the state from four to six one-day speech institutes in which intensive instruction is offered directly to students and teachers. Last year more than 1839 students and teachers from 138 schools attended these institutes.
2. It provides the channels for inter-school contests in one-act plays, in debate, and in the individual speech activities of oratory, declamation, and extemporaneous reading and speaking.
3. It provides helps to teachers in the form of lists of plays, lists of books on the techniques of teaching speech, and sources of materials. Through specialists at the university it strives to answer the many questions rising in the conduct of speech training programs.

The association is managed by a board of control of twelve men—nine high school principals and three speech coaches,—under policies and rules prescribed by the board and by the member schools at the annual meeting. The secretary-treasurer is employed and paid by the University Extension Division, which also provides the necessary clerical help and office space.

For administrative purposes, the state is divided into nine districts, in each of which one member of the board of control serves as the district chairman. The nine districts are grouped into three sections, each under a sectional chairman who is also a member of the board of control.

The annual dues of the association are as follows:

- \$ 5.00 for schools with enrollment of 149 or less
- 7.50 for schools with enrollment of 150 to 349
- 10.00 for schools with enrollment of 350 or more

The annual dues are payable on or before December 15th each year. (In special cases the secretary-treasurer is authorized to accept dues after this date.) The membership year corresponds to the regular school year.

We hope that the activities offered by the association provide an educational program in which your school will participate this year. Address correspondence to Wisconsin High School Forensic Association, 1327 University Avenue, Madison 5, Wis.

THIS VOLUME OF THE NEWS LETTER

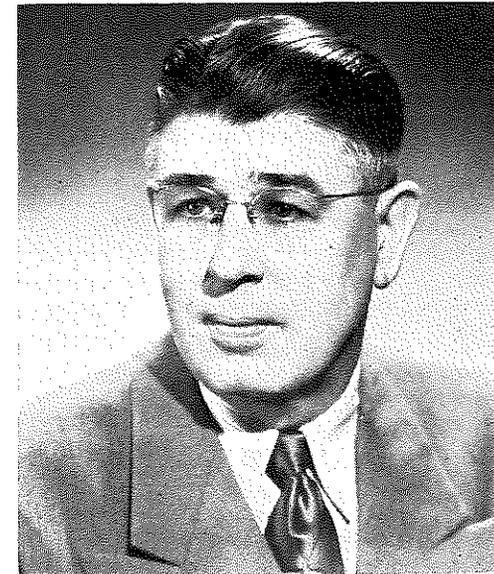

of the

Wisconsin High School Forensic Association
is affectionately dedicated to

A. C. JONES

Member of the Board of Control 1941-1952

Also Chairman of the Board of Control 1943-1952

A. C. Jones served as chairman of the Whitewater district for eleven years and as chairman of the Board of Control for nine years. His sincere belief in the purposes of the Association made him find the time and effort necessary to perform the many duties attached to both positions. His leadership contributed much to the development of speech and drama in Wisconsin high schools and to the sound and popular program of our interschool forensic activities.

Mr. Jones left the teaching profession last June and, consequently, had to resign from his positions with the Association. We thank him sincerely for the heritage he has left us. We wish him God-speed in his new responsibilities.

SUGGESTIONS FOR DIRECTORS OF SCHOOL FORENSICS

To aid the beginning forensic coach—and to remind the experienced coach—the following suggestions are being offered.

Each member school has received with this News Letter a statement for dues and a registration card. The registration card should be filled in completely and returned *with* the check for dues. The statement for dues is sent to enable you to simplify your payment of dues. It can be presented to your Board of Education or Student Fund Treasurer. However, *if you do this, please send the filled out registration card with it so that the card and check for dues will come to this office together.*

Filling the card out completely enables us to know in which events the school will participate. Free material is sent *only* for the activities checked on the card. When our office receives the registration card from you, a duplicate is made for our files and the original card sent to the district chairman. In this way he knows which schools have paid dues. Those schools are put on his mailing list to receive letters and bulletins he sends out from time to time with information about contests.

When your dues are in you will automatically receive a packet of free materials. However, you may not receive it by return mail. The state office is deluged at this time and the processing of the packets will take a few weeks. Packets will be sent out in the order in which dues are received. They contain:

- Copies of new declamations prepared for the year.
- A copy of Winning Orations.
- Debate Handbooks (if you check debate on the registration card.)
- Drama material (if you check drama on the registration card).
- Order blank for forensic materials.
- Lists of declamations for sale by the association.

The September News Letter contains the complete rules and the constitution. See p. 7. Familiarize yourself with both.

For information about league and district contests write directly to your district chairman. For information about sectional contests write directly to your sectional chairman, and for information about state contests write the state office.

Note: See the cover of this News Letter for names of district and sectional chairmen.

SUGGESTIONS FOR THE DRAMA COACH

Have you chosen your entry for the one-act play contest this fall? Remember that the name of your selection must reach the secretary-treasurer by October 15. If you intend to prepare several plays and won't know by then which one you will enter in the league contest, send in the names of *all* of the possibilities. If you have not made your selection yet, allow plenty of time for this most important task. You may have to read many plays before you find one just right for your local situation. Your choice must be made from the list of Approved Plays 1952 (Gray cover) except for the alternative presented below. Single copies of any of these approved plays may be borrowed, for examination purposes only, from the Bureau of Information and Program Services, 1327 University Avenue, Madison 5, Wis. The play you select for production must be ordered directly from the publisher.

You may still have time to try for the \$50 award presented by the Wisconsin Idea Theatre for the best one-act original play submitted by October 1, 1952, written by a high-school student, a drama coach, or a group of students working with a coach. The winning play may be used as an entry in the contest as may other approved original one-act plays.

The Wisconsin Idea Theatre also offers you the use of its script advisory service. If you send the titles of the plays you are considering with a description of your staging facilities and available talent, the staff will help you choose the best play for your individual situation. You can also get a good many ideas from some of the references listed on pages 22 and 23.

Notice the dates of the drama contests and the speech institutes on the cover of this News Letter. Your district chairman can tell you what other schools are in your drama league and when and where the league contest will be held. A program for the speech institute nearest you will be sent you later, but plan now to attend. This year the state drama contest will be held at the new college theatre, Wisconsin State College, Eau Claire.

Remember that it is not necessary to have the last word in facilities to receive the utmost enjoyment and value from the presentation of a play. If you have a good play to work with and the actors are convincing, the audience will overlook the inadequacies of scenery, costuming, make-up, and lighting. The Play's the thing, after all.

INTRODUCING ROD MCPHEE

Many drama and forensic coaches already know Rod McPhee. After two years at Wisconsin State College at Eau Claire, he transferred to the University of Wisconsin where he was active as a varsity debator while majoring in Speech and English. After graduation he taught two years at Kohler, coaching debate and forensics. As a member of the Sheboygan Community Players he had major roles in two plays.

Mr. McPhee now joins the staff of the Bureau of Information and Program Services of the Extension Division as Assistant Director. One of his major responsibilities will be to assist the director, your secretary-treasurer, in the administration of the Forensic Association. You will meet him at the institutes and various contests. We are happy to welcome him to our staff and know that he will make a definite contribution to the program of the Wisconsin High School Forensic Association.

GENERAL INFORMATION

Calendar

The calendar for 1952-53 which was adopted by the Board of Control is announced on the front cover. It is hoped that all leagues, districts, and sections will cooperate with the Association by planning their activities to fit in with this schedule. *Plan now* to avoid conflicts with other school and community events, such as proms, music festivals, and other special days.

Institutes

Plan now to attend the speech institute nearest you this fall and winter. The locations and dates are on the cover of this News Letter. At these institutes, instruction is offered in the various speech arts and there is ample opportunity for question and discussion of the problems arising in speech work. The institutes offer a fine opportunity to stimulate interest in forensic activities and to get ideas for carrying on a speech program.

Elections

In October, elections are held in districts and sections where terms of the Board members have expired. This fall elections will be held in the following districts:

	<i>Incumbent</i>
Milwaukee District.....	N. E. Colby
Superior District.....	H. F. Connors
Stevens Point District.....	A. D. Wicklund
Whitewater District.....	A. C. Jones—moved from district
Southern Section.....	Neil D. Greene
Northern Section.....	Mabel Nelson

Debate

Discussion and debate question: What form of international organization should the United States support?

The question provides an excellent opportunity to correlate debate work with the social studies classes and to experiment in group discussion techniques.

The Discussion and Debate Handbook of the National University Extension Association will be provided as the basic reference to all schools planning to enter debate. The Handbook and other materials provided by the Association will be sent to those schools as the membership dues are received. Membership entitles schools to receive one copy of each volume of the handbook free. There will be additional free materials. The Bureau of Information and Program Services will again have loan material on the debate question at no cost other than return postage.

Speech

The speech program provides the opportunity for individual training in oratory, declamation, extemporaneous reading and speaking. Beginning with local contests, students are selected on the basis of excellence for participation in league, district and state contests. For these events many schools are finding that additional values are to be found in preparing or cutting selections for forensic contests. However, the Association does provide a copy of "Winning Orations" and some new declamations to member schools.

BIBLIOGRAPHY OF NORTH AMERICAN FOLKLORE*

Extemporaneous Reading

One of the most significant changes in the rules for 1952-53 is the new subject for the Extemporaneous reading contest. The wording of the new rule can be found in the Standing Rules, Article VI.

A Committee was appointed to compile a suggested bibliography to be included in this News Letter. Members of the Committee are:

Robert E. Gard, Chairman; Director of Wisconsin Idea Theatre
Mrs. Ruth Swenson, State Traveling Library
Miss Mable Nelson, Speech Coach at Chippewa Falls High School and member of Board of Control
Mr. William Glover, State Historical Society.

Following is their report:

In this suggested bibliography the committee has been careful to do two things:

- A. To suggest the titles of certain general collections of North American folklore and anthologies which may be readily purchased by the individual schools or by the students; and
- B. To make certain suggestions of types of literary material pertinent to the North American scene which may be said to be acceptable as "folklore"; and which might be used by the individual contestant.

The meaning of the term "folklore" has for long been in dispute. The committee has interpreted the term to mean *material, either oral or literary, that is indigenous to the life of any of the regions of North America and which faithfully presents the manners, customs, legends and cultures of the people of those regions in any period of our history.*

The committee realizes that this definition gives broad leeway in the selection of material, and indeed, such is our intent. We hope that through folklore reading and study many students will get a broader and deeper understanding of North American traditions:

A. Some general collections of North American Folklore

- Blair, Walter, *Tall Tale America*. Coward-McCann, 1944, \$2.50.
Botkin, Benjamin A., *A Treasury of American Folklore*. Crown, 1944, \$3.50 or Pocket Book, 25 cents.
_____. *A Treasury of New England Folklore*. Crown, 1947, \$4.00.
_____. *A Treasury of Southern Folklore*. Crown, 1950, \$5.00.
_____. *A Treasury of Western Folklore*. Crown, 1951, \$4.00.

* The books listed may be in your school or public library. If not, they may be borrowed from the State Traveling Library, State Office Building, Madison, Wis.

Clough, Ben C., ed., *The American Imagination at Work*. Knopf, 1947, \$6.00.

Jagendorf, Moritz A., *The Marvelous Adventures of Johnny Caesar Cicero Darling*. Vanguard, 1947, \$2.75.

_____. *The New England Bean-pot*. Vanguard, 1948, \$2.75.

_____. *Upstate, Downstate*. Vanguard, 1949, \$2.75.

Malcolmson, Anne B., *Yankee Doodle's Cousins*. Houghton, 1941, \$3.00.

Miller, Olive K., *Heroes, Outlaws and Funny Fellows of American Popular Tales*. Doubleday, 1939, O. P.

B. We have not attempted to list a large number of titles in this bibliography. We have named a few of the readily available anthologies containing North American folklore of every sort. We suggest that these general books be examined first and then with the background they may provide, that the individual student, in consultation with his teacher, examine other sorts of available materials. Such materials may broadly be said to include:

1. Certain short stories which are based on American folklore materials:
 - a. "The Devil and Daniel Webster," by Stephen V. Benet.
 - b. "The Celebrated Jumping Frog of Calaveras County," by Samuel Clemens.
 - c. "The Widow's Cruise," by Frank Stockton.
 - d. "Rip Van Winkle," by Washington Irving.
2. Certain longer literary works by American folklorists and writers who incorporate folklore material:
 - a. Carmer, Carl, *Listen for a Lonesome Drum*. New ed., Sloane, 1950, \$4.00.
 - b. Gould, John, *Farmer Takes a Wife*. Morrow, 1945, \$2.00.

Part III

ANNUAL REPORT

INTRODUCTION

Achievement of educational goals can not always be measured in numbers or percentages. The real purpose of the Wisconsin High School Forensic Association is not to hold contests or give awards. It is to provide a series of educational experiences through which boys and girls may develop certain abilities to discriminate, to think, and to express themselves—individually, and as members of a group. It is difficult, however, to measure and report achievements in these goals on a statewide basis. We can, however, report on participation in activities which have these purposes and which have been sponsored by your association. We can report too, the winning play casts, debate teams, and individuals who have achieved the standards which have been set up by the association, as measured by our various judges. We should also make an annual accounting of the funds with which we have been entrusted. You will find the financial statement for the past year on p. 26.

BOARD OF CONTROL

Two meetings of the Board of Control were held this past year, one in Milwaukee in November, and the other in Madison in March. Minutes of the Board meetings may be examined by any member of the Association.

The annual elections last fall resulted in three new Board members being elected and two members being re-elected.

New Members:

- A. D. Wicklund, Chairman of Stevens Point District
- E. A. Moede, Chairman of Oshkosh District
- E. C. Marquardt, Chairman of Central Section

Re-elected:

- A. C. Jones, Chairman of Whitewater District
- E. J. Hill, Chairman of Platteville District.
