INVITATION TO MEMBERSHIP

The Wisconsin High School Forensic Association again invites your membership in a three-fold program designed to provide your students with training and experience in the various fields of speech. If your school offers work at the 9th, 10th, 11th, or 12th grade levels, you are eligible to join with and share in these Association services:

1. An institute program early in the school year is conducted with the cooperation of the University and the Wisconsin State Colleges. Here is an opportunity, at the institution nearest you, for teachers and students to receive valuable instruction in the various speech fields.
2. Inter-school contests are held in discussion, drama, debate, radio, and the individual speech activities of declamation, oratory, interpretative reading, play reading, and extemporaneous reading and speaking.
3. WHSFA membership provides help to teachers in the form of lists of recommended books on the teaching of speech, lists of plays, and sources of material. Speech advisors of the University and State Colleges strive to answer your questions about the conduct of your speech training programs.

The Association is managed by a Board of Control of twelve members; nine high school principals, serving as chairmen of the nine districts and three speech coaches, chairmen of the three sections. Policies and rules are prescribed by this Board and by the member schools at the annual meeting. The secretary-treasurer and assistant secretary-treasurer are employed and paid by the University Extension Division, which also provides the necessary office space.

The annual dues are payable on or before December 15 each year. These dues covering a membership year corresponding to the regular school year are as follows:

\$13.00 for schools with enrollment of 149 or less

\$15.50 for schools with enrollment of 150 to 349

\$18.00 for schools with enrollment of 350 or more

We hope you will find the activities of the Association a worth-while addition to your school program. Write and ask us whatever questions you may have, or write directly to your district or sectional chairman.

Part I

GENERAL INFORMATION

Registration

Each school has received with this Newsletter a registration card and a statement for dues. The registration card should be filled in completely and returned *with* the check for dues. The statement for dues is sent to enable you to simplify your payment of dues. It can be presented to your Board of Education or Student Fund Treasurer. However, *if you do this, please send the filled-out registration card with it so that the card and check for dues will come to this office together.*

Filling the card out completely enables us to know in which events the school will participate. Free material is sent *only* for the activities checked on the card. When our office receives the registration card from you, a duplicate is made for our files and the original sent to the district chairman. In this way he knows which schools have paid dues. Those schools are organized into leagues and put on his mailing list to receive letters and bulletins he sends out from time to time with information about contests.

When your dues are received you will automatically receive a packet of free materials. However, you may not receive it by return mail. The state office is deluged at this time and the processing of the packets will take a few weeks. Packets will be sent out in the order in which dues are received. They contain:

Copies of new declamations prepared for the year.

A copy of Winning Orations.

Debate materials (if you check discussion or debate on the registration card)

Drama material (if you check the one-act play contest on the registration card)

Order blank for forensic materials.

Lists of declamations for sale by the Association.

A copy of Aims, Purposes, and Definitions of Drama, Debate and Speech Contests.

Districts and Sections

For information about league and district contests write directly to your district chairman. For information about sectional contests write directly to your sectional chairman, and for information about state contests write the state office.

If you do not know which district you are in, consult the map on page 72. The names of the district and sectional chairmen are on the front cover of this Newsletter.

Calendar

The calendar for 1958-59 which was adopted by the Board of Control is announced on the front cover. It is hoped that all leagues, districts, and sections will cooperate with the Association by planning their activities to fit in with this schedule. Plan now to avoid conflicts with other school and community events, such as proms, music festivals, and other special days.

Elections

In October, elections are held in districts and sections where terms of the Board members have expired.

Incumbent

Northern Section	Dale E. Krammes
Milwaukee District	G. W. Carlson
Superior District	H. F. Connors
Stevens Point District	J. C. Gillmann

Speech Institutes

The speech institute pattern inaugurated two years ago will continue this season with the Wisconsin Colleges sponsoring drama and speech institutes in cooperation with the Wisconsin High School Forensic Association. The location of the colleges and the variety of institutes offer every high school an opportunity to participate. At these institutes instruction is offered in the various speech arts and there is ample opportunity for question and discussion of the problems arising in speech work.

You will automatically receive programs for the institutes to be held at the college in your district. For programs of institutes outside of your district, write directly to the persons listed below. The following institutes were announced as this Newsletter went to press.

Date	State College	Kind	Person in Charge
October 15	Whitewater	For Coaches Only	Dr. Wynett Barnett
October 23	Oshkosh	Speech	Dr. William E. White
October 24	Superior	Speech	Dr. O. Gayle Manion
January 31	Platteville	Speech	Dr. Harold Hansen
February 26	Whitewater	Speech	Dr. Wynett Barnett

Discussion

Discussion question: *What features of British and Russian education would best serve the interests of the people of the United States?*

See Standing Rules X, and refer to the section on tape-recorded panel discussion in *Aims, Definitions, and Rules*—a separate publication of the Association.

Practice Debate Tournament Dates

Last spring we announced that the *September Newsletter* would carry a list of invitational practice debate tournaments being held in the state. Our aim is two-fold: (1) to serve as a clearing house for dates, and, (2) to provide new debate schools in particular with an idea of who sponsors debate tournaments in their area and to whom they might write to be included. This list will be amended in the *November Newsletter*, so drop us a line if your date has not been included or has been changed.

INVITATIONAL DEBATES

Date	
November 15	West Bend <i>Mr. Bruce Bertram</i>
November 22	Sheboygan Central <i>Mr. Arnold Melzer</i>
December 6	West Allis <i>Frank Roberts (Nathan Hale)</i> <i>Hoyt Rawlings (Central)</i>
January 17	Neenah <i>William Dunwiddie</i>

One Act Plays

Selections for the one-act play contest must be made from the list of Approved Plays 1958 (Blue Cover), except for the alternative noted below. Single copies of any of the approved plays may be borrowed, for examination purposes only, from the Bureau of Information and Program Services. Production copies of the play you select must be ordered directly from the publisher.

Any school may enter an original one-act play written by the students or faculty of that school *provided* that it is submitted to our advisor in drama before October 1, and for which final approval has been granted by October 15.

Assistance in choosing the best play for your individual situation may be obtained through the script advisory service of the Wisconsin Idea Theatre.

We also refer you to the selected list of books on play production listed on pages twenty-two and twenty-three.

Schools not entering the one-act contest but anxious to give their students a drama experience will be interested in the new play-reading event in the spring speech contest. (See page 18 for rules.)

Tape Recorded Radio Program Contest

This event, similar to our tape-recorded discussion contest, will be conducted again in the spring. It will provide schools that have radio clubs or classes, or that present regular radio shows over some local station, or that are interested in experimenting with the radio approach to speech improvement, with a chance to have their programs compared with others and evaluated by experts in the field. The state offices will administer this contest and entries will be sent there directly. See *Standing Rule XI and Aims, Definitions, and Rules*—a separate publication of the Association.

Debate

Problem Area for Discussion and Debate 1958-59—*What system of education would best serve the interests of the people of the United States?*

The question provides an excellent opportunity to correlate debate work with the social studies classes and to experiment in group discussion techniques.

The Discussion and Debate Manual of the National University Extension Association will be provided as the basic reference to all schools planning to enter discussion or debate. The Manual and other materials will be sent to those schools which check discussion or debate in the order in which the membership dues are received. Membership entitles schools to receive one copy of each volume of the Manual free. There will be additional pamphlet materials. The Bureau of Information and Program Services will again have loan material on the problem area. (See *Loan Policy* on bottom of this page.)

Speech

The spring forensic program provides a wealth of opportunity to enjoy speech activities in many forms and to compete with the best talent from the whole state. Beginning with local contest students are selected on the basis of excellence for participation in league, district and state contests. Special values can be gained by individual work on the part of the student in making a study of suitable material from which to cut humorous or serious declamations. A rich source list of literature from which cuttings may be made will be found in *Aims, Definitions, and Rules*. This publication will be sent to member schools along with a copy of *Winning Orations* and the new declamations prepared this year by the state office.

Loan Policy of the Bureau of Information and Program Services

The Bureau of Information and Program Services of the University of Wisconsin Extension Division supplements your school and local libraries in many ways. It can provide examination copies of plays, loan packages of materials for discussion and debate, materials from which to get ideas and

facts for original speech work, and other help to the drama and forensic program.

These materials are available on loan without charge except for return postage.

Part IV

ANNUAL REPORT

Introduction

The real purpose of the Wisconsin High School Forensic Association is not to sponsor contests or give awards. One of our objectives is the ideal set forth by Lord Bryce in the *American Commonwealth*, that every citizen in a free country should be able to formulate his opinions on public policies and to defend those opinions with sound reasoning. To help achieve this we provide a series of educational experiences through which boys and girls may develop certain abilities to investigate thoroughly, to think critically, and to express themselves clearly—individually, and as members of a group.

It is difficult, if not impossible, to adequately measure the attainment of educational goals through the use of numbers, percentages, and other statistics. No one can measure the benefits received by the many individuals who participate in one or more of the activities of the Association. We can, however, report on participation in activities which have these purposes, and which have been sponsored by our Association. We can also report the winning play casts, debate teams, and individuals who have achieved the standards which have been established by the Association, as measured by our various judges. We should also make an annual accounting of the funds with which we have been entrusted. You will find the financial statement for the past year on page 26.

Board of Control

Two meetings of the Board of Control were held this past year; one in Milwaukee in November, the other in Madison in March. Minutes of the Board meetings may be examined by any member of the Association.

In the elections for Board Members last fall, the four incumbents were each re-elected.

E. C. Marquardt, Teacher of Speech, Wausau High School,

A. F. Christ, Principal, New London High School,
Chairman of Oshkosh District

Harold Gall, Principal, Lancaster High School,
Chairman of Platteville District

R. W. Hunsader, Principal, Fort Atkinson High School,
Chairman of Whitewater District.
