WELCOME TO MEMBERSHIP

Since almost all schools renew their membership in the WHSFA before the start of the new school year, your school has probably already joined. Your promptness in returning the cards to us along with your 1972-73 dues is appreciated.

The names of last year's 461 member schools are listed in the roster in the back of this *Newsletter*. After each school, the district in which it is located is shown, plus the number of years it has been a member. The number 47 after a school's name in the current roster identifies most of the charter members. They are the schools which have held uninterrupted membership since 1925.

All schools in Wisconsin, public or private, which offer work at the 9th, 10th, 11th, or 12th grade levels may join the WHSFA. Junior high schools are eligible for membership, but only their 9th grade students may compete in contests sponsored by the Association.

The primary function of the Association is to conduct the major inter-school forensic contest program in the state. However, more important than naming winners is the educational experience gained by the thousands of Wisconsin high school students who participate in debate, drama, and speech contests each year. The participation summaries in this *Newsletter* should dispel any fear that the WHSFA program benefits only a select few.

The nature and quality of the Association's program is the concern of the WHSFA Board of Control. This elected group of 14 educators determines the policies and rules of the Association. Eleven Board members are high school principals or administrators who serve as chairmen of the 11 districts. Three others are speech teachers or coaches who function as chairmen of the three sections. As chairmen of districts and sections these Board members administer those policies and rules which apply to their particular areas.

The principal administrative officer of the WHSFA is the secretary-treasurer, who is responsible for the state office of the Association. He is a faculty member employed by University Extension, which also provides the space and equipment for the office. The WHSFA reimburses University Extension \$9,000 annually as partial payment for services received, according to an agreement between the WHSFA Board of Control and the University Extension administration.

Each membership year in the Association begins on September 1 and ends on August 31. Annual dues are payable on or before October 1. The schedule of dues adopted by the Board at its meeting in May, 1969, is as follows:

\$25 for schools with an enrollment of 149 or less

\$35 for schools with an enrollment of 150 to 349

\$40 for schools with an enrollment of 350 or more

Money collected in dues is used for a variety of purposes. It pays for: expenses of Board meetings and committee meetings; some of the services provided by University Extension; publication of the *Newsletters*, the *Contest Handbook*, *Play List*, and other special pamphlets; the printing of critique sheets, ballots and other supplies; purchase of materials for use in contests, especially debate; and the cost of mailing publications and materials to the member schools.

In 1972-73, the secretary-treasurer of the WHSFA will be Mr. Larry E. Larmer. Professor Herman H. Brockhaus, who has served in that capacity since 1965, retired on June 30, 1972 (see next page). It is the hope of the new secretary-treasurer that the administration of the Association shall continue to meet the high standards set by Dr. Brockhaus and the program of the WHSFA shall continue to merit your support.

"BROCK" RETIRES FROM WHSFA

On June 30, 1972, Dr. Herman H. Brockhaus retired as Professor of Communication Arts at the University of Wisconsin and University Extension. At that time, he also left his post as Secretary-Treasurer of the Wisconsin High School Forensic Association.

In spite of a geographically varied professional career, Dr. Brockhaus' association with WHSFA is of long standing. After receiving a B. A. from North Central College, Naperville, Illinois, in 1929, he became a teacher of English and speech at New London High School, New London, Wisconsin, where his duties included coaching speech and debate activities. Dr. Brockhaus stayed at New London until 1938 and, in the meantime, completed his M. A. at the University of Wisconsin-Madison in 1937.

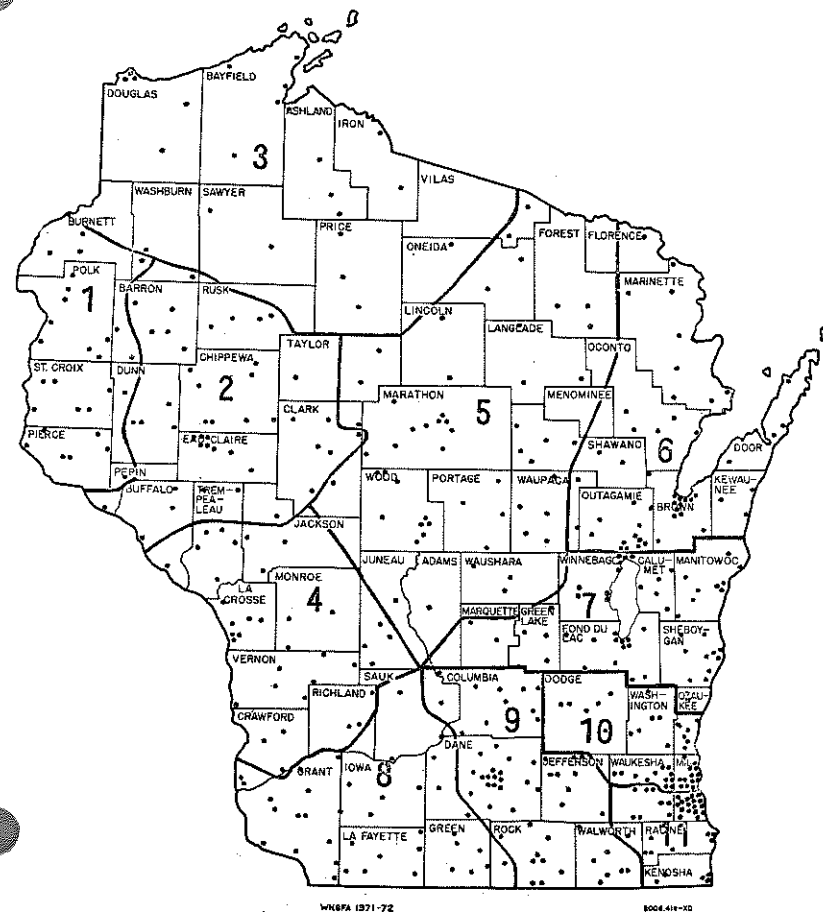

Dr. Brockhaus spent the next few years away from Wisconsin, serving as Professor and Chairman of the Department of Speech at Pacific University in Forest Grove, Oregon, from 1938-41; instructor in the Department of Public Speaking at Oberlin College, Oberlin, Ohio, in 1941-42; and from 1942-45, he served in the United States Army Medical Corps.

In 1947, Dr. Brockhaus received an appointment in the Department of Communication Arts (then called "Speech") at the University of Wisconsin-Madison where he served both the College of Letters and Science and University Extension.

Those who have come to know "Brock" since 1965 when he became Secretary-Treasurer of WHSFA have marveled at the efficiency, dedication to duty, and warm personal graciousness he brought to that post. But as thorough as Dr. Brockhaus was in his work with WHSFA, he by no means limited his professional activities to the Association. After his return to Wisconsin he published several articles in both regional and national professional journals, taught at least one class per semester for the College of Letters and Science at University of Wisconsin-Madison, and developed and executed virtually hundreds of instructional programs in speech communication for a wide variety of groups reached by University Extension services. Dr. Brockhaus' listing in *Who's Who in America*, *Directory of American Scholars*, and his receipt in 1971 of the Andrew T. Weaver Award given by the Wisconsin Speech Communication Association for "Outstanding Service in the Field of Speech Communication," all attest to the quality of his professional contributions.

Those associated with WHSFA will miss Brock's guidance, patience, and congeniality; but it is the sincere hope of all that he is now beginning the happiest period of his life and that he will bestow upon the Association the great honor of "staying in touch."

PART I

GENERAL INFORMATION

ANNUAL DUES MUST BE PAID ON OR BEFORE OCTOBER 1. THE BOARD OF CONTROL HAS RULED THAT A SCHOOL WHICH FAILS TO PAY ITS DUES BY OCTOBER 1 MAY NOT PARTICIPATE IN ANY ASSOCIATION ACTIVITY. EXCEPTIONS MAY BE MADE AT THE DISCRETION OF THE DISTRICT CHAIRMAN AFTER CONSULTATION WITH THE SECRETARY-TREASURER.

MEMBERSHIP AND ORGANIZATION

Membership Registration

Last July each school which was a member of the WHSFA in 1971-72 was sent a set of membership registration cards and a statement requesting payment of dues. When the filled-in cards are received by the state office, one copy is filed and the other is forwarded to the district chairman. Thus both the state office and the district chairman have information about the contest activities a school plans to enter, the names of the coaches in charge, and the payment of dues. The cards are also used in the preparation of state and district mailing lists.

Materials

At the start of the school year, members receive the following materials from the state office:

Four copies of the WHSFA *Newsletter* for September 1972.
Two copies of the WHSFA *Contest Handbook* and *Play List*

Reference material on the debate proposition, if the school indicated on the registration card that it planned to participate in debate
An order blank for forensic materials

WHSFA Newsletters

The state office publishes a *Newsletter* each year in September, November, February, and May. The September issue contains a record of the previous year's activities, a copy of the constitution of the Association, and the rules under which the contests are conducted. The other three issues include current news items, announcements, and contributed articles.

Districts and Sections

For information about sub-district or district contests, schools are advised to write or phone their district chairman. For information about sectional contests, they should communicate directly with their sectional chairman. The secretary-treasurer of the Association is the person to write or phone concerning state contests.

The district directory in the front part of this *Newsletter* and the roster of schools in the back show the districts to which members belong. The names, addresses, and phone numbers of the district and sectional chairmen are on the inside front cover.

Elections of Board Members

The normal schedule for electing persons to the 14-member Board of Control is to have five people elected each fall, except for every third year when four are chosen. Of the board members elected each year, one is a speech teacher or coach, who serves as a sectional chairman. The others are high school principals or school administrators, who function as district chairmen. Board members are elected for three-year terms by schools within the district or section. District chairmen and sectional chairmen may be re-elected.

In September and October of 1972, elections will be held in the following districts and section for the terms indicated:

<i>District or Section</i>		<i>Incumbent</i>
Green Bay District	1972-75	Peter C. Hamel, not a candidate for re-election
Oshkosh District	1972-75	Gaylord K. Unbehaun
Platteville District	1972-75	Herman Laatsch, not a candidate for re-election
Whitewater District	1972-75	George Buckingham
Central Section	1972-75	Wallace E. Hoffman

Mr. Peter C. Hamel, Principal of Preble High School in Green Bay, has chosen not to be a candidate for re-election to the chairmanship of the Green Bay District. Mr. Hamel has served on the Board for two full terms; he was first elected in 1966.

At the meeting of the Board last fall, Mr. Gaylord K. Unbehaun, Administrator of Brillion Public Schools, said he would be a candidate for re-election this fall. He was elected for one year to complete the remainder of Mr. Lynch's term after Mr. Lynch resigned.

Mr. Herman Laatsch, Administrator of Argyle Public Schools, informed the state office that he would not be a candidate for re-election this September. Elected to the Board in 1961, he served until mid-year of 1963. He was elected again in 1966 and has served two full terms as chairman of the Platteville District.

Mr. George Buckingham is a Board member whose years of service to the WHSFA, are exceeded only by those of the chairman of the Board. Mr. Buckingham, Director of Student Services in the Whitewater Public Schools, was first elected as chairman of the Whitewater District in 1960. He has held that office for 12 consecutive years, and has expressed his willingness to be a candidate again this fall.

Mr. Wallace E. Hoffman has also agreed to be available for re-election for another term. Coming to the Board in 1969, he has been chairman of the Central Section for the past three years. Mr. Hoffman is a teacher and coach at Lombardi Jr. High School in Green Bay.

WHSFA SPONSORED CONTESTS

Calendar of Contest Dates

A five-year calendar of WHSFA contest dates is published in the front section of this *Newsletter*. This calendar was approved by the Board of Control last spring. All dates except those for sub-district contests are *firm* dates. District, sectional and state contests will be held on the dates designated. The dates shown for sub-district competition are the *latest* dates on which sub-district contests may be held.

Fixing firm dates for major WHSFA contests and publishing them five years in advance is another effort toward reducing conflicts with other activities. It is consistent with the decision to publish a combined calendar of WHSFA, WIAA, and WSMA dates. Conflicts with the state speech contest in April are especially critical because of the large number of students involved and because of the distances some of them must travel.

Drama Contest

To help drama directors in their search for plays for the fall drama contest, the state office again has published and distributed to all member schools a *Play List* which gives the titles of recommended plays. This advisory type of list is in line with the WHSFA policy of permitting a school to use any play it wishes in the drama contest.

Any school expecting to enter the drama contest this fall must send to its *WHSFA district chairman by October 1* the name and author of the play it has chosen for the contest. If the final choice of play has not been determined by October 1, the names of those in preparation are to be sent in. Please note that the information is to be sent directly to the *WHSFA district chairman*. Any school which does not meet the October 1 deadline will be ineligible to participate in the drama contest, according to a supplementary rule for drama.

Several new rules governing the drama contest were adopted by the Board of Control in May, 1971. The regulations state more explicitly that the major focus of interest in a production must be on character relationship, dialogue, and action. Further, they specifically prohibit the following types of entries in the WHSFA drama contest: musical dramas, productions which are predominantly choral speaking, and productions which are predominantly pageants, spectacles, and dance dramas. All rules applying to the drama contest will be found in this *Newsletter* in the general rules and the supplementary rules for drama.

Debate Contest

RESOLVED: That governmental financial support for all public elementary and secondary education in the United States should be provided exclusively by the federal government. This is the official WHSFA debate proposition for 1972-73, chosen through a preferential ballot last May. The state office mailed ballots to all schools taking part in the WHSFA debate program in 1971-72. The proposition selected was announced in the *Newsletter* for May, 1972.

As in previous debate seasons, the four issues of *The Forensic Quarterly*, published by the Committee on Discussion and Debate of the National University Extension Association, will be sent to all schools planning to enter debate this year. The quarterlies are purchased from the Committee by the state office and are distributed at no cost to member schools which plan to take part in debate. Other materials which are received from the Committee on Discussion and Debate will also be mailed to those schools which indicate on their membership registration card an intention to participate in debate.

The WHSFA debate competition consists of district tournaments, sectional tournaments, and a state tournament. The structure of the state tournament provides for the selection of a single first-place winner, a second-place winner, and two third-place winners. In addition, there is a consolation series in the state tournament, for teams which do not survive the qualifying rounds. All the regulations which apply to the WHSFA debate contest are printed in this *Newsletter* in the general rules and the supplementary rules for debate.

Speech Contest

The spring forensic program is the largest activity sponsored by the WHSFA. It provides thousands of students an opportunity to participate in a variety of events and compete with talent from the entire state. Many schools hold local contests to select contestants who represent them in WHSFA competition at the sub-district, district, and state levels.

Detailed information about the different spring speech events will be found in the *WHSFA Contest Handbook*, two copies of which are mailed to each member school. Specific rules for each event are published in this *Newsletter* in the supplementary rules for each contest.

INSTITUTES AND INDEPENDENT TOURNAMENTS

Institutes and Workshops

If you are interested in taking your students to a particular program, write to the person in charge for detailed information. Do not assume you will automatically receive announcements from the host institution or group. Your school may not be on the mailing list used by the sponsoring organization.

Independent Debate Tournaments

The following is a calendar of independent tournaments scheduled for the 1972-73 school year. Included in the list are all those tournaments reported to the state office in response to inquiries which were sent out. The schedule prepared by the Wisconsin Debate Coaches Association is incorporated in the following calendar.

In the listing of a tournament, information is given which indicates the level of competition: V for varsity debaters, JV for junior varsity, and N for novice. The type of debating is also identified: *Stand* means standard or the traditional form of four constructive speeches followed by four rebuttal speeches; *Cross Ex* stands for cross examination.

Some of the tournaments listed are open to all schools wishing to participate, while others are invitational contests. Before making plans to take debaters to any of the tournaments in the schedule which follows, it would be well to write to the person in charge of the particular program for further information about the event.

You are strongly urged to write to the person named as being in charge of a particular tournament or festival if you are interested in taking your students to it. PROFESSIONAL ORGANIZATIONS

There are in Wisconsin three professional organizations for teachers of speech and coaches of extra-curricular speech activities. None is directly affiliated with the WHSFA, but all have interests and concerns which are shared by the WHSFA. Therefore we are happy to include in this *Newsletter* the names of the organizations, their respective purposes, and their officers.

Wisconsin Speech Communication Association

The membership of the Wisconsin Speech Communication Association includes speech teachers at all educational levels. The avowed purpose of the organization is

"to unite the teachers, coaches, and supervisors of speech in Wisconsin in order to promote (1) better training of speech teachers, (2) better speech training and better coaching and supervising of speech activities, and (3) more and better speech training in the schools of Wisconsin." The officers of the WSCA for the current year are: president, Mr. Thomas Pinter, Oconomowoc Senior High School; first vice-president, Dr. Charles Haas, University of Wisconsin-LaCrosse; second vice-president, Mr. William O'Brien, Janesville Craig High School; secretary, Miss Thelma Rothe, Fennimore High School; treasurer, Dr. Patricia Townsend, University of Wisconsin-Whitewater; editor of the WSCA Journal, Mr. Craig Streff, Wauwatosa East High School.

The WSCA will hold *two* meetings in 1972-73. The autumn meeting will be Friday November 3, 1972, at the Milwaukee Inn in Milwaukee. The spring meeting will be Friday and Saturday, May 4 and 5, 1973, at the Pioneer Inn in Oshkosh.

Wisconsin Debate Coaches Association

Both individuals and schools may hold membership in the Wisconsin Debate Coaches Association. Individual membership is open to any person in the state connected in any way or interested in debate. The purpose of the WDCA as stated in its constitution is "to promote the interests of interscholastic debate in Wisconsin by assisting in the regulation and improvement of tournaments and by serving as a forum for the airing of opinions relative to these objectives." The officers for 1972-73 are: president, Mr. Ronald Ernst, Nicolet High School; vice-president, Mr. Terry Parks, Sheboygan North High School; secretary, Mrs. Janice Settle, Greendale High School; treasurer, Miss Drucilla Munson, Brookfield Central High School.

Wisconsin Forensic Coaches Association

The Wisconsin Forensic Coaches Association is the newest of the three organizations, formed in the spring of 1970. Its membership is comprised of coaches of interschool forensic activities. Its declared purpose is "to promote the interests of interscholastic forensics in Wisconsin by assisting in the regulation and improvement of forensic practices and by serving as a forum for the airing of opinions concerning forensic activities." The officers of the WFCFA for the present year are: president, Mr. Karl E. Kocher, West Bend East High School; vice-president, Mr. John Hughes, Waterford High School; secretary, Miss Elaine Schroeder, Mequon Homestead High School; treasurer, Mr. William Mitchell, Middleton High School.

FORENSIC AND DRAMA ORGANIZATIONS

Besides the Wisconsin High School Forensic Association, there are in the state three other scholastic organizations whose goal is the development of students through forensic or dramatic activities. Two of the organizations are national leagues; the other is an international society. Because these associations and the WHSFA have common interests, we are pleased to publish the following information which was provided by the state officers.

National Forensic League

The National Forensic League was founded in 1925 for the purpose of "training youth for leadership." The NFL is comprised of about 1100 chapters and 2100 affiliates in 50 states. Twenty-six Wisconsin schools currently hold NFL charters and several others are affiliate members. In order for a school to become a member or affiliate, it must meet certain participation requirements.

An on-going incentive program is sponsored by the NFL, consisting of pins, certificates, and an annual national tournament in six events: debate, boys extempore, girls extempore, oratory, dramatic reading, and student congress. To be eligible for the national tournament, a student must receive first place in a state contest. Among the students from Wisconsin high schools who qualified for national NFL competition

last year and participated in the tournament held at Wake Forest University, Winston-Salem, North Carolina, June 19-23, 1972, were: Pam Bauter and Margaret Lewis, Mequon Homestead, debate; Walter White, Mequon Homestead, boys' extemp; Janet Pitterlie, Eau Claire Memorial, girls' extemp; Becky Woods, Oconomowoc High School, girls' extemp; Karla Johnson, West Bend East, dramatic interpretation; Ray Edwards, Brookfield Central, student congress; Peter Wilke, Milwaukee Pius XI, student senate.

The remaining Wisconsin contestants in the tournament came from Marquette High School which won the cumulative (T.K.A.) sweepstakes with 279 rounds and the yearly sweepstakes with 106 rounds—both national records. Mark Foley won the national championship in boys' extemp and John Patek won the national championship in oratory. Mark Foley and Jeff Clark reached the final round in debate, losing on a 3-2 decision. Dean Richards was 4th in radio and a quarter-finalist in boys' extemp and oratory. John Daly reached the quarterfinals in oratory and participated in dramatic interpretation, as did Robert End. It was the second year in a row that Marquette won the national championship. Mr. James Copeland was named "Coach of the Year."

In Wisconsin the NFL District Committee is made up of the following coaches: Miss Drucilla Munson, Brookfield Central; Mr. James Copeland, Marquette; Mr. John Stienbach, West Bend West; and Mr. Art McMillion, Eau Claire Memorial, chairman.

National Catholic Forensic League

The National Catholic Forensic League is an organization of both public and private schools for the purpose of training "active Catholic leaders." It operates in over 40 diocese, and membership in the Wisconsin CFL numbers 21 schools. Each year the NCFL sponsors a Grand National Tournament. This tournament includes the following events: debate, boys and girls extempore, original oratory, oratorical declamation, oral interpretation, and student congress. To qualify for NCFL competition, a contestant must place first, second, or third in his event at the State Catholic Tournament.

Some of the contestants from Wisconsin who participated in the Grand Tournament held at Pittsburgh, May 12-13, were: Nancy Schmalling, Delavan-Darien, declamation; Peter Wilke, Milwaukee Pius XI, boys' extemp; Betsy Guiler, Delavan-Darien, and Patty Kulpa, Milwaukee Pius XI, oral interpretation; Indre Bauza, Kenosha St. Joseph and Sherri DeWeerd, Delavan-Darien, girls' extemp.

Marquette University High School was represented by the remaining students and won the tournament in which 957 students from 41 dioceses participated, for the third consecutive year (a record) with 264 points (also a record). Mark Foley and Jeff Clark reached the semifinals of debate as did David Dreis and Mark Miner. John Patek repeated as national champion in original oratory with Robert End also making the final round. Matt Liedle reached the quarterfinals in oratory. Dean Richards and Tom McCarthy were quarterfinalists in boys' extemp and Pat Mayer made the quarterfinals in declamation. Brian Myles in oral interpretation and Jeff Ignaszak in declamation did not place.

Should you wish to know more about the National Catholic Forensic League, write to Mr. J. M. Copeland, Diocesan Director WCFL, Marquette University High School, 3401 W. Wisconsin Avenue, Milwaukee, Wisconsin 53208.

International Thespian Society

The purpose of the International Thespian Society is to encourage development of the theatre arts in secondary schools. To this end, a school which has membership in the society organizes a Thespian Troupe. To belong to the Troupe, students must fulfill membership requirements of the International Constitution—a point system for acting and crew participation. It is essentially an honor to be selected for membership.

There are approximately 60 Troupes in Wisconsin. Each fosters the growth of theatre arts in its school and keeps in touch with other Troupes and their activities through a state newsletter. State Thespians also met at the Wisconsin State Thespian Conference which was held at Janesville Craig High School on November 19, 20, and 21, 1971. The program included special conference performances by the Stratford, Ontario, Children's Theatre, by Mr. Tiber Zana of the Wisconsin Ballet Company, and by Theatre X, a contemporary theatre group from Milwaukee. Other performances were given by Wisconsin Thespian troupes from Sheboygan, Luxemburg-Casco, Wayland Academy, Beaver Dam, Shorewood, and Waukesha Catholic Memorial. In addition, various workshops in theatre were presented.

Several Wisconsin Thespian troupes attended the International Thespian Conference held at Ball State University, June 19-23, 1972. Luxemburg-Casco, Wayland Academy, and Janesville Craig presented workshops at the Conference. Shorewood brought great honor to Wisconsin through their presentation of the musical, "Hello Dolly," which was received with much acclaim and two standing ovations.

If you wish, you can find out more about the International Thespian Society by writing to Mr. H. Russell Carter, Wisconsin Thespian Society Director, Craig High School, 401 S. Randall, Janesville, Wisconsin 53545.

 - In a sub-district speech contest, a single judge may be used for each section; however, by agreement of all participating schools, three or five judges may be used instead of one. No section shall be judged by an even number of judges, two or four, because of a possible difficulty in determining a contestant's final grade from the ratings turned in.
 - In any contest, by agreement of the majority of participating schools, the coaches may serve as judges, with no coach judging contestants from his own school.

*Rule change adopted by the Board of Control at its spring meeting on May 4-5, 1972.

9. Grades and Decisions.

- In a drama contest and in a speech contest the judge or judges shall grade each presentation A, B, or C, according to merit, possibly having several of the same grades or none of some grades. If several judges are used, each judge shall mark his ballot without consulting any other person or persons, including the other judges.
- In a drama contest and in a speech contest when several judges are used, the grade given by the majority of the judges shall be the final grade. (Example: A, A, C = A; A, C, C = C.) When there is no majority of any one grade, the mean of the judges' ratings shall be the final grade; thus A, B, C = B.
- The value of the grades A, B, and C shall be interpreted as follows: A = excellent to superior, B = good to very good, C = fair.
- In a debate the judge or judges shall declare which of the two teams, affirmative or negative, won the debate. If several judges are used, each judge shall mark his ballot without consulting any other person or persons, including the other judges.
- In a debate when several judges are used, the decision given by the majority of the judges shall be the final decision.
- Once a ballot has been signed by a judge, no grade or decision on that ballot may be changed, except to correct a recording error.

- In the drama contest a school may not use the same play nor any part of it two successive years.
- In all contests the identity of contestants' schools shall not be made known to the judges until the contest results are announced. The wearing of distinctive clothing or emblems which would identify the school a contestant represents is prohibited.
- Member schools may participate with non-member schools in contests other than those sponsored by the Association, but such participation will not qualify contestants for WHSFA Certificates of Participation.

15. Permission and Payment of Royalty.

- Each member school whose contestants use copyrighted material in a WHSFA contest is responsible for obtaining permission from the publisher to use that material in the contest.
- Each member school whose contestants use a royalty play or a cutting from a royalty play in a WHSFA contest is responsible for paying the royalty or obtaining a royalty waiver from the publisher.

16. Speech Contest Competition.

- In any speech contest, beginning with the sub-district, a school may have no more than two contestants in any contest event, except for play acting in which one entry of two to five persons in the group is permitted.
- In sub-district speech contests there shall be at least one round of competition in which each contestant competes. By agreement of all participating schools in the sub-district, the contest may consist of two or three rounds. When there is a single round, a contestant must receive an A to advance to the district contest. When there are two or three rounds, a contestant must receive two A's in order to be awarded a final grade of A in the sub-district contest and thus be eligible for the district contest.

- Any item a Board member wishes to have placed on the agenda must be mailed to the secretary-treasurer so it reaches him no later than three weeks before the meeting.
- Proposals for changes in the Constitution or Standing Rules must be mailed to the secretary-treasurer so they reach him at least three weeks before the meeting; they will then be distributed with the agenda. Such proposals may be amended at the meeting before action is taken on them.
- Any item which is not on the distributed agenda can be taken up at the meeting only if two-thirds of the members present vote to consider it.
- Changes in contests and contest rules may be introduced at any meeting of the Board, but ordinarily final action will be taken on such proposed changes at the spring meeting. Adopted changes will be published in the next September Newsletter.
- Any changes in contests and contest rules shall go into effect immediately after their adoption, unless otherwise specified. Customarily, such changes are considered to be on a trial basis for two years. If not rescinded at the end of two years by action of the Board, the changes become a regular part of the Standing Rules.

18. Awards by the Board of Control.

- A framed Certificate of Membership shall be awarded each newly elected Board member at the time he joins the Board of Control.

- A framed Certificate of Recognition for Meritorious Service shall be awarded to selected persons who have made an outstanding contribution to the WHSFA.

II. Supplementary Rules for Drama

- The title and author of the play a school chooses to enter in the drama contest must be sent to the WHSFA district chairman on or before October 1. If the final choice of a play has not been determined by October 1, the names of those in preparation shall be submitted. Any school which fails to comply with this rule by the deadline shall be ineligible to participate in the drama contest that school year.
- A production in the drama contest may be a one-act play or a scene from a longer play. A school may select its play from any source; however, a choice from the WHSFA Play List (recommended plays) is suggested. A school may not use the same play two successive years in the drama contest.

*Rule change adopted by the Board of Control at its spring meeting on May 4-5, 1972. In Rule 3 for Drama the name of the Advisor in Drama was deleted.

3. Authors of original plays to be entered in the drama contest may send their play manuscripts to the Advisor in Drama for counsel and advice.
4. Each school shall be permitted to enter only one play in a sub-district, district, sectional, or state contest. The same play may be used by more than one school in any given sub-district, district, sectional, or state contest.
5. The major focus of interest in a drama contest entry must be on character relationship, dialogue, and action.
6. Musical dramas may not be entered in the drama contest. Song and dance may be present in a performance but only as incidental elements.
7. Productions which are predominantly choral speaking may not be entered.
8. Productions which are predominantly pageants, spectacles, and dance dramas may not be entered.
9. An entry in the drama contest shall be a proscenium stage production. Set-up time for each play, at all levels of competition, shall be a uniform 10 minutes. No additional time is allowed for striking the set of the previous play. Production time shall be no more than 35 minutes; there is no minimum time requirement. At the end of 35 minutes, the timekeeper, stationed backstage, shall order the curtain pulled. Stopping the production shall not affect the rating given by a judge.
10. Drama contests at the district, sectional, and state levels shall be judged by three judges. (General Rule 8a.)
11. A school may not advance from one contest level to the next (for example, from sub-district to district) without its play being judged and receiving an A.
12. If a school is the only entry in a sub-district contest, its play must be performed and judged by a judge satisfactory to the WHSFA district chairman. If the play is awarded an A, the school may advance to the district contest.
13. Should a school be the only entry in a district contest, its play must be performed and judged by judges satisfactory to the WHSFA district chairman. If the play is awarded an A, the school may advance to the sectional contest.

III. Supplementary Rules for Debate

- †1. The official WHSFA debate proposition for 1972-73 is: *RESOLVED: That governmental financial support for all public elementary and secondary education in the United States should be provided exclusively by the federal government. The general problem area for discussion and debate in 1972-73 is: What should be the policy toward financing elementary and secondary education in the United States?*
2. *The Forensic Quarterly* of the Committee on Discussion and Debate of the National University Extension Association shall be the official handbook of the Association.
3. For district and sectional tournaments and for the first three rounds of the state tournament, each school shall certify in advance of the contest a team for each round of debate. This team shall consist of two affirmative and two negative debaters and may also have one or two alternates. If two, one must be designated affirmative alternate and one negative alternate. The alternates shall attend only those debates in which their team is participating. They may not take part in the debate in any way except in case of illness of a debater. No debater shall participate on both sides in the same district or sectional tournament, nor in the first three rounds of the state tournament.
- §4. The order of debating shall be: constructive speeches — affirmative, negative, affirmative, negative; rebuttal speeches—negative, affirmative, negative, affirmative.
5. Time.
 - a. Constructive speeches shall not exceed ten minutes; rebuttal speeches shall not exceed five minutes.
 - b. There shall be an official timekeeper for each debate.
 - c. Time cards shall be used for all contest debates. The timekeeper shall be seated in full view of the debaters, facing them, and shall display time cards to indicate at one-minute intervals the amount of time remaining for each debater. There shall also be a card to indicate when only one half minute remains.

†The 1972-73 WHSFA debate proposition was selected through a preferential referendum conducted by the state office last spring. All schools which participated in WHSFA debate competition in 1971-72 received ballots.

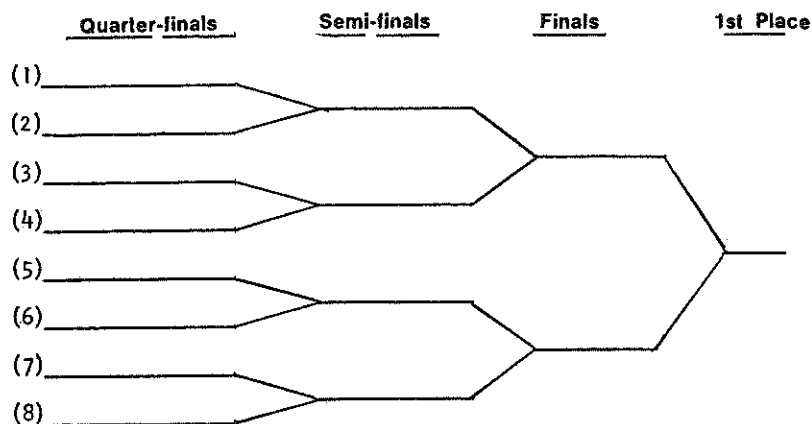

§At its spring meeting held on May 4-5, 1972, the Board of Control voted that the cross-examination style of debating shall be used in all WHSFA debate tournaments, district, sectional, and state, starting in 1973-74. In 1972-73 the traditional style, described in Rule 4, will continue to be used.

- d. The timekeeper shall rise and remain standing at the full expiration of time for each constructive and rebuttal speech. When the timekeeper rises, the debater shall complete only the sentence already begun. If he continues beyond that sentence the judge shall stop him, but being stopped shall not affect the decision.
 - e. The affirmative team shall provide time cards for each debate.
5. Judges in debate tournaments are asked to submit brief written comments for each debate on forms provided by the state office.
7. Tournament Procedure.
 - a. The order of participation in district and sectional debate contests, as well as in the first three rounds of the state debate tournament, shall be determined by drawing lots at the beginning of the contest.
 - b. In the event a debate team is not present at the time of the drawing, the contest manager shall draw for that team.
 - c. If a team does not appear by the scheduled starting time, the other debates shall proceed as scheduled. If the tardy team is ready to debate within 15 minutes of the scheduled starting time, it shall be allowed to proceed without prejudice or penalty and with no reduction of time for constructive and rebuttal speeches. If the tardy team is not ready within 15 minutes of the scheduled starting time, it shall forfeit the debate to the opposition.
 - d. Unless the contest manager has good reason to believe that a team which failed to appear for the first round will be ready to debate at the start of the second round, he shall, during the first round, re-schedule the succeeding rounds. Ten minutes before the second round he shall post the original schedule if the late team has arrived, or the revised schedule if the late team has not arrived. No change shall be made after the posting of the schedule.
 - e. If a late team misses the first two rounds, it shall be ineligible to participate in any succeeding rounds.
8. District Tournaments.
 - *a. Each district shall hold a debate tournament of three rounds if there are seven or more schools in the district wishing to compete in debate. If there are fewer than seven such schools, the district chairman shall make arrangements for them to compete with schools in another district. *Together, the chairmen of Eau Claire, River Falls, and Superior Districts shall set up no less than two district tournaments in the Northern Section.* If the Platteville District has fewer than seven schools in debate, the district chairman shall arrange for those wishing to participate in either the La Crosse or Whitewater District tournaments.
 - b. Any school which achieves a record of four wins and two losses, or better, in a district tournament shall be eligible to participate in sectional tournament competition.
9. Sectional Tournaments.
 - a. Normally, each section shall hold a debate tournament of three rounds. If fewer than seven schools in the Eau Claire, River Falls, and Superior Districts qualify for sectional competition, only the Central and Southern sectional tournaments will be held, and the eligible schools from districts in the Northern Section shall participate in the Central Section tournament.
 - b. Any school which achieves a record of four wins and two losses, or better, in a sectional tournament shall be eligible to participate in the state tournament.

*Rule change adopted by the Board of Control at its spring meeting on May 4-5, 1972.

10. State Tournament.

- There shall be a state tournament, structured to determine a single first-place winner: three qualifying rounds; a run-off round, if necessary, to reduce the number of teams to eight; and three elimination rounds (an eight-team bracket) in which winners advance from quarter-finals, to semi-finals, to finals.
- All schools competing in the state tournament shall enter a team of affirmative and negative debaters in the first three rounds of the tournament. Any school which achieves a record of four wins and two losses (4-2), or better, in the first three rounds shall be eligible for further competition.
- Each school having a 4-2 record, or better, in the first three rounds shall certify a team of four debaters from which the school's coach may select any two debaters just before the start of any round in the elimination. Debaters may participate on both sides, affirmative and negative, after the three qualifying rounds in the state tournament.
- No more than eight schools shall participate in the elimination rounds of the tournament, an eight-team bracket.

Since competition in the elimination rounds is restricted to eight schools, if more than eight have a 4-2 record, or better, in the qualifying rounds, a run-off round shall be held to reduce the number to eight. To determine which schools are to compete in a run-off round, lots shall be drawn by schools with the lowest qualifying records.

- If fewer than eight schools have a 4-2 record, or better, some will be given byes. The usual method for determining byes shall be the drawing of lots by schools with the highest record. However, if the number of byes is the same or greater than the number of schools with a 6-0 record, those schools with a 6-0 shall automatically receive byes. Any remaining byes shall be drawn for by schools with the next highest record.
- When establishing the eight-team bracket, the following pairings should be avoided whenever possible: the meeting of *teams* which have met previously in the tournament, the meeting of *schools* which have met previously in the tournament, and pairing undefeated teams in the quarter-finals.
- In the elimination rounds, schools which advance should switch sides each round if possible. When this is impossible, sides shall be assigned by the contest manager, using as a determining factor the number of times a school has debated on a given side in previous elimination rounds. If both schools have debated each side the same number of times, the decision shall be made by drawing lots. However, if two schools have met previously in the tournament and are scheduled to meet again, they shall be assigned sides opposite those debated in the previous meeting.

- In the first three rounds of the state tournament, each debate shall be judged by a single judge. In the quarter-final and semi-final rounds, each debate shall be judged by a panel of three judges. The final round shall be judged by a panel of five judges. (General Rule 8a.)
- Coaches are asked not to attend any round of debate at the state tournament except the final round.
- A consolation series of debates will be held for teams which do not survive the qualifying rounds.
- Debates in the consolation series are to be judged by coaches of teams in the championship bracket, without an honorarium, a single judge for each debate.

IV. Supplementary Rules for Extemporaneous Speaking

- A speech in the extemporaneous speaking contest may be either informative or persuasive in purpose, depending largely on the topic selected. Regardless of the purpose, the speech must be concerned with the topic chosen by the contestant in the drawing.
- An extemporaneous speech shall be no more than eight minutes in length; there is no minimum time requirement. The timekeeper shall use time cards, provided by the host school, to indicate the passage of each minute of time. At the end of eight minutes he shall stand and remain standing, and the contestant may complete the sentence he has begun. If the speaker continues beyond that sentence the judge shall stop him, but being stopped shall not affect his rating.
- The periodicals from which topics will be taken are the January, February, March, and April issues of *Newsweek*, *Time*, and *U.S. News & World Report*. The material a contestant uses may come from sources other than these three magazines.
- The contest manager shall select twenty to thirty topics (not short titles of magazine articles) and write each one on a card. The topics are to be worded either as specific statements or as open-ended questions. One hour before speaking, a contestant shall draw five cards, choose a topic, and return four cards before the next speaker draws. In contests with several sections of extemporaneous speaking, an identical set of topic cards shall be used for each section.
- A contestant may bring to the preparation hour any reference material he wishes, but no prepared speeches or speech outlines.
- *6. The speech, as implied by the title of the contest, is to be presented extemporaneously; and notes limited to both sides of one 4x6 card may, *but need not*, be used. The host school shall provide uniform, identifiable 4x6 cards, as well as paper for contestants to use in the preparation hour.
- At the conclusion of a speech, the judge may ask the speaker one or more pertinent questions.
- Properties or visual materials may not be used in presenting an extemporaneous speech.

V. Supplementary Rules for Four-minute Speech

- *1. A speech in the four-minute contest may be either informative or persuasive in purpose. The speech is to be written by the student who presents it, and it shall be on any contemporary problem.
- A speech in this contest, as its name implies, shall be no more than four minutes in length; there is no minimum time requirement. At the end of four minutes, the timekeeper (or judge) shall stand and remain standing, and the contestant may complete the sentence he has begun. If he continues beyond that sentence the judge shall stop him, but being stopped shall not affect his rating.
- *3. *The four-minute speech may be presented from memory or extemporaneously; and notes limited to both sides of one 4x6 card may, but need not, be used.*
- Properties or visual materials may not be used in presenting a four-minute speech.
- *5. A student may not use the same speech more than one school year in four-minute speech, nor may he use it in any other WHSFA contest category.

*Rule change adopted by the Board of Control at its spring meeting on May 4-5, 1972. In Rule 1 for Four-minute Speech the words "an event intended especially for novice contestants" were deleted.

VI. Supplementary Rules for Oratory

1. A speech in the oratory contest must be persuasive in purpose. The oration is to be written by the student who presents it and may be a problem-solution speech on a contemporary problem, or it may be a eulogy.
2. An oration shall be no more than eight minutes in length; there is no minimum time requirement. At the end of eight minutes, the timekeeper (or judge) shall stand and remain standing, and the contestant may complete the sentence he has begun. If he continues beyond that sentence the judge shall stop him, but being stopped shall not affect his rating.
- *3. The oration may be presented from memory or extemporaneously; and notes limited to both sides of one 4x6 card may, *but need not*, be used.
4. Properties or visual materials may not be used in presenting an oration.
- *5. A student may not use the same speech more than one school year in original oratory, nor may he use it in any other WHSFA contest category.

VII. Supplementary Rules for Public Address

1. A speech in the public address contest may be either informative or persuasive in purpose, depending largely on the designated topic or specific area, for a particular contest. At each level of competition (sub-district, district, and state) the speech presented must be concerned with the specific area, or topic, designated for that contest. The public address general problem area for 1972-73 is: *Are American penal institutions adequately serving society?*
 - a. For the sub-district contest the specific area is: *What is the proper role of penal institutions in contemporary American society?*
 - b. For the district contest the specific area is: *To what extent are penal institutions in America fulfilling their proper role?*
 - c. For the state contest the specific area is: *In what manner, if any, should American penal institutions be reformed?*
2. A speech in this contest shall be no more than eight minutes in length; there is no minimum time requirement. At the end of eight minutes, the timekeeper (or judge) shall stand and remain standing, and the contestant may complete the sentence he has begun. If he continues beyond that sentence the judge shall stop him, but being stopped shall not affect his rating.
- *3. The speech is to be presented extemporaneously; and notes limited to both sides of one 4x6 card may, *but need not*, be used.
4. Properties or visual materials may not be used in presenting a speech in the public address contest.
- *5. A student may not use the same speech at more than one contest level in a given year, nor may he use it in any other WHSFA contest category.

VIII. Supplementary Rules for Significant Speeches

- *1. A presentation in the significant speeches contest should be chiefly informative in purpose, though it may contain some persuasive elements. The student is to select a single published speech which has historical or contemporary significance, and interpret that speech for his listeners. He shall do this by explanation and by quoting from the speech.
2. A presentation in this contest shall be no more than eight minutes in length; there is no minimum time requirement. At the end of eight minutes, the timekeeper (or judge) shall stand and remain standing, and the contestant may complete the sentence he has begun. If he continues beyond that sentence the judge shall stop him, but being stopped shall not affect his rating.
3. Part of a presentation in this contest, approximately two to four minutes, should be the student's own writing. This portion should include pertinent information about the speaker, the audience, and the occasion on which the selected speech

*Rule change adopted by the Board of Control at its spring meeting on May 4-5, 1972. In Rule 1 for Significant Speeches the words "an event intended especially for novice contestants" were deleted.

was given. It should also include an explanation of why the contestant believes the speech was significant for the original audience and why it has significance for persons in his audience. *Not* to be included in the contestant's presentation is an analysis of such factors as the composition of the selected speech and the speaker's style, since this type of rhetorical criticism is not within the scope and purpose of the significant speeches contest.

4. Another part of the presentation should consist of a selected portion, or portions, of the speech chosen by the contestant. The quoted material may be placed wherever the contestant chooses to put it in his presentation. He may intersperse it throughout the presentation if he wishes.
- *5. That portion of the presentation written by the contestant may be given from memory or extemporaneously, but is not to be read. *Notes limited to both sides of one 4x6 card may, but need not, be used in delivering that portion of the speech written by the student. The quoted material must be read from a manuscript or from cards.*
6. Properties or visual materials may not be used in presenting a speech in the significant speeches contest.
- *7. A student may not use the same speech more than one school year in significant speeches, nor may he use it in any other WHSFA contest category.

IX. Supplementary Rules for Declamation

1. A presentation in the declamation contest may be a selection or cutting from written prose literature, excluding public speeches. The material the contestant uses may be a selection he has written himself. Whether the selection is original or not, the contestant shall give an introduction he has prepared; he shall also give transitions which are needed to establish a relationship between parts of his presentation.
2. A declamation shall be no more than eight minutes in length, including the required introduction and any transitions which the reader gives; there is no minimum time requirement. At the end of eight minutes, the timekeeper (or judge) shall stand and remain standing, and the contestant may complete the sentence he has begun. If he continues beyond that sentence the judge shall stop him, but being stopped shall not affect his rating.
3. A presentation in the declamation contest is similar to one in prose reading, except that a declamation is presented from memory instead of from the printed page. In both contest events the student is expected to be an interpreter of written prose, not an actor. For this reason, impersonations from television, records, or tape recordings are not permitted.
4. Costumes and properties may not be used in the declamation contest.
- *5. A student may not use the same declamation more than one school year, nor may he use it in any other WHSFA contest category.

X. Supplementary Rules for Play Acting

1. An entry in the play acting contest is a presentation of a scene or cutting from a play by a group of two to five contestants. There is no list of approved or prohibited plays for this contest; a choice from the WHSFA *Play List* (recommended plays) is suggested. The scene selected for production shall be presented without costumes, make-up, lights, or properties other than an available table (or desk as a substitute) and chairs, if required. Hand props as well as stage props, except those mentioned, are not permitted. Music and mechanical or electronic sound effects are also prohibited.
- *2. A presentation in this contest shall not exceed fifteen minutes in length, including a required introduction and any transition(s) the group wishes to make; there is no minimum time requirement. At the end of fifteen minutes the timekeeper (or judge) shall stand and remain standing, and the contestant speaking may complete the sentence he has begun. If he continues beyond that sentence the judge shall stop him, but his being stopped shall not affect the rating of the group.
3. Each contestant in a play acting group shall portray only one character. In case one member of a group is unable to appear at a contest, the coach may substitute any other eligible student.

*Rule change adopted by the Board of Control at its spring meeting on May 4-5, 1972.

4. In play acting, lines are to be spoken from memory and contestants are expected to move as they would in a fully-produced play.
5. A school may enter only one group of two to five contestants in the play acting contest event. The regular contest registration fee shall be paid for each student in the group.
6. A presentation in this contest shall be judged as a whole, but each contestant shall receive identical individual awards.
7. A school may not use the same cutting or scene two successive years, nor may it use a cutting or scene from its production in the drama contest held the same school year.

XI. Supplementary Rules for Poetry Reading

1. A presentation in the reading of poetry contest may be a single poem, a cutting from a single poem, or several related poems or cuttings. The material a contestant uses may be poetry he has written himself. Whether the poetry is original or not, the contestant shall give an introduction he has prepared; he shall also give transitions which are needed to establish a relationship between parts of his presentation.
2. A reading in this contest shall be no more than eight minutes in length, including the required introduction and any transitions which the reader gives; there is no minimum time requirement. At the end of eight minutes, the timekeeper (or judge) shall stand and remain standing, and the contestant may complete the sentence he has begun. If he continues beyond that sentence the judge shall stop him, but being stopped shall not affect his rating.
3. The poetry is to be read from the printed page, with the optional use of a reading stand provided by the contestant. The material is not to be presented as a memorized selection.
4. Costumes and properties may not be used in poetry reading.
- *5. A student may not use the same material at more than one contest level in a given year; he must change the material as he advances from sub-district to district, and from district to state. Moreover, he may not use the same material more than one school year, nor may he use it in any other WHSFA contest category.

XII. Supplementary Rules for Prose Reading

1. A presentation in the reading of prose contest may be a selection or cutting from prose literature. The material the contestant uses may be a selection he has written himself. Whether the selection is original or not, the contestant shall give an introduction he has prepared; he shall also give transitions which are needed to establish a relationship between parts of his presentation.
2. A reading in this contest shall be no more than eight minutes in length, including the required introduction and any transitions which the reader gives; there is no minimum time requirement. At the end of eight minutes, the timekeeper (or judge) shall stand and remain standing, and the contestant may complete the sentence he has begun. If he continues beyond that sentence the judge shall stop him, but being stopped shall not affect his rating.
3. The prose is to be read from the printed page, with the optional use of a reading stand provided by the contestant. The material is not to be presented as a memorized selection.
4. Costumes and properties may not be used in prose reading.
- *5. A student may not use the same material at more than one contest level in a given year; he must change the material as he advances from sub-district to district, and from district to state. Moreover, he may not use the same material more than one school year, nor may he use it in any other WHSFA contest category.

*Rule change adopted by the Board of Control at its spring meeting on May 4-5, 1972.

MAGAZINES FOR EXTEMPORANEOUS SPEAKING

A new rule adopted by the Board of Control at its May 6-7, 1971 meeting revises the list of magazines from which extemporaneous speaking topics are to be selected. The following is Rule 3 under Supplementary Rules for Extemporaneous Speaking: "The periodicals from which topics will be taken are the January, February, March, and April issues of *Newsweek*, *Time*, and *U. S. News & World Report*. The material a contestant uses may come from sources other than these three magazines."

The three publications named were chosen for the extemporaneous speaking contest for a number of reasons, one is their availability. Almost all school libraries subscribe to all three. Furthermore, in some schools they are used as classroom instructional material. Below is information about subscription rates for these magazines.

Newsweek, Educational Division, 444 Madison Avenue, New York, N. Y. 10022. Special bulk rates for 5 or more copies to one address 25¢ per copy. Student subscriptions (individually mailed) \$7.00 for 52 weeks, \$4.75 for 34 weeks, \$2.75 for 17 weeks. Free teaching aids with classroom orders include News Pointers, Map-of-the-Month and Work Sheet, News Focus, monthly and semester tests, new Current Affairs Case Study Series, plus a desk copy for teacher.

Time English Program, TIME and Life Building, Rockefeller Center, New York, N. Y. 10020. Classroom orders for 5 or more (individual subscriptions) \$7.00 for 52 weeks, \$5.25 for 39 weeks, \$4.60 for 34 weeks, \$3.50 for 26 weeks, and \$2.30 for 17 weeks. Free teaching aids with classroom orders designed especially for the English class, plus desk copy for teacher.

U. S. News & World Report, 2300 N Street, N. W., Washington, D. C. 20037. Individual subscription rates: 1 year \$12.00, 2 years \$17.00, 4 years \$24.00. Subscriptions for students (individually mailed) 12¢ per copy per week with a minimum term of 23 weeks for \$2.75 and a maximum term of 1 year for \$6.00. Bulk subscription orders to one address 10 or more copies for 10 or more weeks 12¢ per copy per week when list of names of students is provided. For bulk orders which do not meet all three requisites above, 25¢ per copy per week.

PART IV

ANNUAL REPORT

This section of the WHSFA September *Newsletter* contains a record of the Association's activities during the past school year. It includes a report of the election of Board members last fall, the financial statement of the state office for 1971-72, and the achievement of contestants in drama, debate, and speech contests last year. The participation summaries on pages 56, 68, and 93 are especially significant. They reveal the large number of students in Wisconsin high schools who derived benefit from the WHSFA program in 1971-72.

BOARD OF CONTROL

There were six positions on the Board of Control which needed to be filled last fall. Three were district chairmanships for three year terms, and one was for one year. A three-year sectional chairmanship also had to be filled.

Mr. N. F. Panzenhagen, Administrator of Cadott Public Schools was re-elected to another full term as chairman of the Eau Claire District. He came to the Board initially in 1967 when he was elected for one year to fill the unexpired term of Mr. Arthur D. Spoolman who had moved out of the Eau Claire District.

Mr. Edwin Sievers, Principal of Viroqua Senior High School was re-elected last fall to another three-year term as chairman of the La Crosse District. He was first elected to the Board in 1964 and has served without interruption every year since that time.

The chairmanship of the Milwaukee District again went to Mr. Raymond Behnke, Principal of Cedarburg High School. Mr. Behnke became the first chairman of the new Milwaukee District in 1969 when it was reconstituted and the new Kenosha District was created. His first term was for two years, a shorter term than usual in order to establish an equitable rotation schedule for the election of Board members.

Mr. Merwin Moen, Administrator of St. Croix Falls Public Schools, was elected chairman of the River Falls District last October. He succeeded Mr. Daryl K. Lien who had been a member of the WHSFA Board of Control for 13 years—from 1943 to 1953 and again from 1968 to 1971.

In the Oshkosh District, Mr. Gaylord K. Unbehaun was elected chairman for one year to complete the unexpired term of Mr. Thomas J. Lynch, Principal of New Holstein High School. Mr. Lynch resigned from the Board in May of 1971 but continued his service to the Association until Mr. Unbehaun was elected.

Last fall Mr. Hintz, teacher and coach at Badger High School in Lake Geneva, was elected chairman of the Southern Section, replacing Mr. J. Peter Shaw of Evansville High School. Mr. Shaw had served for one year, completing the unexpired term of Mr. Norman D. Flynn who had left the teaching profession. Mr. Hintz had been a member of the Board previously, from 1959 to 1962.

During the past school year, regular meetings were held by the Board of Control in November and May. The November meeting was at Holiday Inn No. 1 in Madison. The May meeting, which included a recognition of Dr. Brockhaus' retirement, was at the Quality Motel of Madison. Highlights of these meetings were reported in the November 1971 and May 1972 WHSFA *Newsletters*. Any member school may receive a complete set of minutes for any Board meeting by writing to the state office of the Association.

STATE DEBATE TOURNAMENT

University of Wisconsin-Madison

RESOLVED: *That the jury system in the United States should be significantly changed.*

In 1971-72, as in the three previous years, the state debate tournament included three qualifying rounds for all schools entered, plus an eight-team elimination bracket for schools with a record of 4 wins and 2 losses, or better, in the qualifying competition. A consolation series, introduced in 1969-70, was also held in 1971-72. All schools which did *not* qualify for the elimination bracket participated in two additional rounds of debate. The win-loss record for the three qualifying rounds plus the two extra rounds determined the winner of the consolation series.
