WELCOME TO MEMBERSHIP

If your school is like most high schools in Wisconsin, it has already joined the WHSFA for 1970-71. This past July we mailed out membership registration cards to all schools which belonged to the Association last year. A large majority have renewed their membership by returning the cards to us along with their current dues.

In the back of this *Newsletter* you will find a roster of the 458 schools which comprised the Wisconsin High School Forensic Association last year. The roster not only gives the names of member schools but also identifies the district in which they are located and cites the number of years they have held membership. In this 45th anniversary year of the WHSFA, it is interesting to look at the roster and discover which schools were members of the organization the year of its founding. The number 45 after a school's name identifies most of the charter members. They are schools which have held uninterrupted membership in the Association since 1925.

Membership in the Association is open to all schools in Wisconsin, public or private, which offer work at the 9th, 10th, 11th, or 12th grade levels. Junior high schools as well as senior high schools may join, but only their 9th grade students may compete in WHSFA contests.

The primary function of the Association, without a doubt, is to conduct the major inter-school forensic contest program in the state. However, the purpose of this program is not simply to name winners. More important is the educational experience gained by the thousands of Wisconsin high school students who participate in debate, drama, and speech contests each year. The participation summaries for 1969-70 on pages 50, 62, and 84 in this *Newsletter* are revealing. The large number of participants, especially at the local level, should dispel any fear that the WHSFA program benefits only a select few.

The nature and quality of the Association's program is the concern of the WHSFA Board of Control. This elected group which determines the policies of the Association is comprised of 14 educators. Eleven are high school principals or administrators who serve as chairmen of the 11 districts. Three are speech teachers or coaches who function as chairmen of the three sections. As Board members these 14 people establish the policies and rules of the Association. As chairmen of districts and sections they administer those policies and rules which apply to their particular areas.

The principal administrative officer of the WHSFA is the secretary-treasurer, who is responsible for the state office of the Association. He is a faculty member employed by University Extension, which also provides the space and equipment for the office. The WHSFA contributes \$7,500 annually toward the salaries of the secretary-treasurer and the state office stenographer.

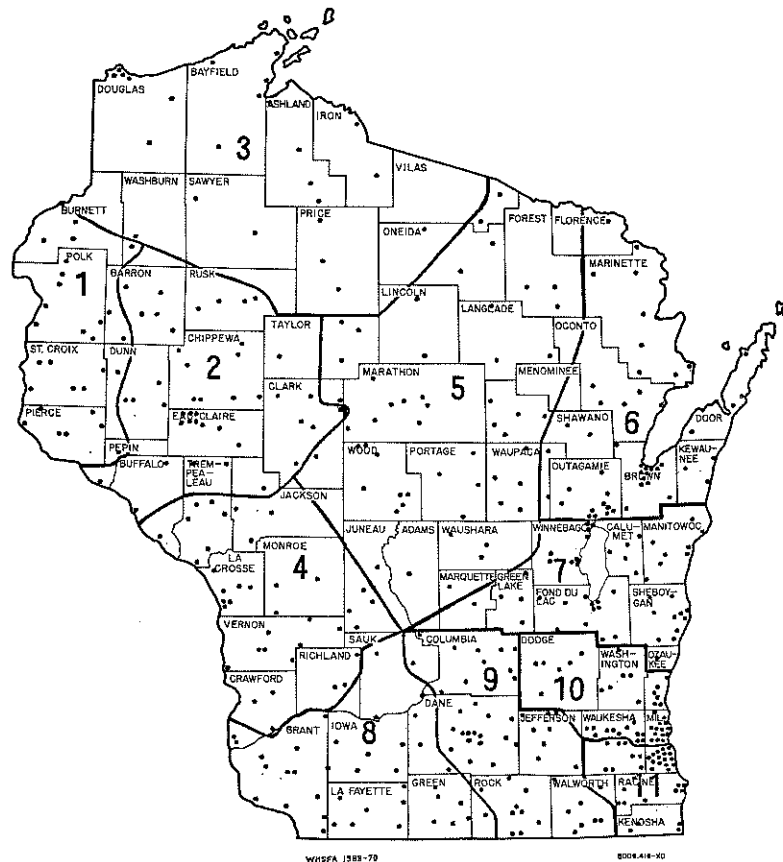

Each membership year in the Association begins on September 1 and ends on August 31. Annual dues are payable on or before October 1. The schedule of dues adopted by the Board at its meeting in May 1969 is as follows:

| |
|--|
| \$25 for schools with an enrollment of 149 or less |
| \$35 for schools with an enrollment of 150 to 349 |
| \$40 for schools with an enrollment of 350 or more |

Money collected in dues is used for a variety of purposes. It pays for: expenses of Board meetings and committee meetings; part of the salaries of the secretary-treasurer and the stenographer in the state office; publication of four issues of the *Newsletter*, the *Contest Handbook*, *Play List*, and other special pamphlets; purchase of materials for use in contests, especially debate; and the cost of mailing publications and materials to the member schools.

We hope you consider the activities of the Association to be a worthwhile part of your school program. We will be pleased to see the name of your school on the 1970-71 membership roster of the Wisconsin High School Forensic Association.

ANNIVERSARY YEAR — 1970-71

This year, 1970-71, is the diamond anniversary of organized high school forensics in Wisconsin. Seventy-five years ago the High School Lyceum Association of Wisconsin was founded, the first state organization of its kind.

This year is also the 45th anniversary of the Wisconsin High School Forensic Association, which grew out of the Lyceum Association. Therefore it is appropriate that 1970-71 be designated as our Anniversary Year.

A brief account of the origin of the WHSFA and the organization which preceded it was written by the first Chairman of the WHSFA Board of Control, George J. Balzer, and published in the first printed newsletter of the Association in 1928-29. It was headed HISTORICAL. Since Mr. Balzer's writing is now a part of Wisconsin High School Forensic Association history, what better time to reprint it than this Anniversary Year.

"The present Wisconsin High School Forensic Association had its inception in 1895, when W. H. Schultz, one of Wisconsin's able and outstanding school men, organized the High School Lyceum of Wisconsin, an organization which was the first state high school forensic association in the United States. W. H. Schultz served as president or as secretary of the association until he left our state in 1916. In 1914, Professor W. P. Roseman of La Crosse became the state president and served the State Lyceum Association until 1925.

"In 1925 a group of high school principals met at the time of the state teachers' association and elected a committee to revise the rules which were governing the Wisconsin High School Lyceum Association and to draw up a constitution. This committee consisting of Otto A. Birr, R. J. MacMahon, R. F. Lewis, A. J. Henkel, and George J. Balzer, made its report to the state high school principals' association in the fall of 1926. A constitution and a new set of rules and regulations was adopted and the name of the association changed to its present name. The new association was received by the University of Wisconsin Extension Division and became an activity of that University Department.

"The plan of organization of the present association differs but slightly from that of the parent organization. The purpose of the new organization is the same as that which prompted W. H. Schultz to organize the State Lyceum, namely, to create an interest in the high school boys and girls in the state in oratory, declamations, extemporaneous speaking and reading, and debate, and to serve as a means to direct contests in those events among the high schools of our state.

"The contest feature of the association is only a means unto an end. The real object of the association is to enlist the high schools in Wisconsin in forensic activities and as such give the high school pupils of our state a training in speaking before an audience, an asset which will serve a boy or girl for life, and an accomplishment which will go a long ways towards assisting any citizen to render public service to the state.

"That the interest in forensic work in the high schools of our state is large and that it is increasing is evident from the steadily increasing school membership in the state association.

GEO. J. BALZER,
Chairman, Board of Control."

The continued growth of the Wisconsin High School Forensic Association is reported in the yearly membership figures on the next to the last page of this *Newsletter*.

Numerous factors are responsible for the expansion of the WHSFA since its founding in 1925, but none is more significant than the affiliation of the Association with the University Extension Division and the stability and leadership this connection provided. Even before the founding of the WHSFA, University Extension contributed to the program of high school forensics under the old Lyceum Association.

Professor Roseman, mentioned by Mr. Balzer as having been president of the State Lyceum Association from 1914 to 1925, was the District Representative of the University Extension Division, at La Crosse. Upon becoming president, Professor Roseman consulted with Lewis Reber, Dean of the University Extension Division; Professor W. Lighty of the Correspondence Study Department; and Miss Almere L. Scott of the Department of Debating and Public Discussion. It was decided to have the secretarial work of the Lyceum Association done through the Extension Division. As reported by Professor Roseman in a personal letter, "Mr. Lighty and Miss Scott were to share the responsibility, particularly in budgetary matters. Miss Scott's Department did most of the correspondence work however."

Having the University Extension Division look after the secretarial and business affairs of the Lyceum was an arrangement which Professor Roseman believed had merit, and it was not long before he recommended an even closer relationship. In fact, he proposed that the Extension Division take over the Lyceum as one of its activities. As he himself explained it, "In 1916 or thereabouts, I suggested that the Extension Division assume entire responsibility for the so called Lyceum work, carried on in the State. Prof. Lighty and Miss Scott were willing to assume the responsibility but Dean Reber decided it would be better to have the high school principals set up a control organization to carry on the secretarial work."

The recommendation by Dean Reber became a fact when the constitution of a newly organized Wisconsin High School Forensic Association was adopted unanimously on November 5, 1925 by the Principals' Section of the Wisconsin State Teachers Association. This constitution provided that "the Director of the Department of Debating and Public Discussion of the University Extension Division of the University of Wisconsin shall be the Secretary of the Board of Control." Thus Miss Almere Scott, who gave much to high school forensics under the Lyceum Association, became the first executive secretary of the WHSFA. She continued to exert strong, dedicated leadership until her retirement in 1945, one year prior to her death.

Miss Scott was succeeded as Director of the Department of Debating and Public Discussion by Mr. Leslie E. Brown, who, by virtue of his position, became Secretary of the WHSFA. Mr. Brown held this post until 1948 when he left the University of Wisconsin to accept an administrative position in adult education at Western Reserve University in Cleveland, Ohio. He is now Professor Emeritus of Adult Education at Case Western University.

When Mr. Brown left the University Extension Division, his position was filled by Mr. Robert H. Schacht. The name of the department he directed was changed to Bureau of Information and Program Services; and the title of his position with the WHSFA, to Secretary-Treasurer. While serving the Extension Division and the WHSFA, Mr. Schacht continued graduate work and was granted the Ph.D. degree in 1957. Two years later, in 1959, the Wisconsin High School Forensic Association was transferred within the Extension Division from the Bureau of Information and Program Services to the Extension Department of Speech. Dr. Schacht gave up his Forensic Association post but continued on the staff of University Extension; he now is Director of Madison Programs and Special Projects, and Director of Wisconsin Alumni Seminars.

In 1959, Mr. Frederick E. Haug, Jr. assumed the position of WHSFA Secretary-Treasurer after having been the assistant officer the previous year. As an instructor in the Extension Speech Department, he also taught in adult education programs while continuing his graduate studies. He received the Ph.D. degree in January 1965 and left the University of Wisconsin the following September to go to the Wisconsin State University-Eau Claire. At that institution he is now Associate Dean of the School of Arts and Sciences, and Professor of Speech.

With Dr. Haug's resignation in 1965, Dr. Herman H. Brockhaus, Chairman of the Speech Department in University Extension, assumed the duties of the WHSFA

Secretary-Treasurer. Doing so required an adjustment of responsibilities, including his resignation as Chairman of the Department of Speech in the University Center System. Besides being Chairman of the Extension Department of Speech, Dr. Brockhaus is Chairman of the Communication Arts Unit in Extension and Professor of Communication Arts in the College of Letters and Science of the University of Wisconsin, Madison.

During the 45 years of its existence, the Wisconsin High School Forensic Association has had five executive secretaries. Over the years, the organization has experienced continued growth and progress. Contributing to its continuity is the uninterrupted service of Mrs. Lois Sheehan, who has been the office secretary for the WHSFA since 1944. Having begun her employment with University Extension under Miss Scott, she has been of invaluable assistance to all five administrative officers of the Association. Since Mrs. Sheehan has been with the WHSFA for exactly 26 years, 1970-71 is an anniversary year for her as well as for the Wisconsin High School Forensic Association.

PART I

GENERAL INFORMATION

ANNUAL DUES MUST BE PAID ON OR BEFORE OCTOBER 1. THE BOARD OF CONTROL HAS RULED THAT A SCHOOL WHICH FAILS TO PAY ITS DUES BY OCTOBER 1 MAY NOT PARTICIPATE IN ANY ASSOCIATION ACTIVITY.

Membership Registration

Last July each school which was a member of the WHSFA in 1969-70 was sent a set of membership registration cards and a statement requesting payment of dues. When the filled-in cards are received by the state office, one copy is filed and the other is forwarded to the district chairman. Thus both the state office and the district chairman have information about the contest activities a school plans to enter, the names of the coaches in charge, and the payment of dues. The cards are also used in the preparation of state and district mailing lists.

At the start of the school year, members receive the following materials from the state office:

- Four copies of the WHSFA *Newsletter* for September 1970
- Two copies of the WHSFA *Contest Handbook* and *Play List*
- Reference material on the debate proposition, if the school indicated on the registration card that it planned to participate in debate
- An order blank for forensic materials

WHSFA Newsletters

The state office publishes a *Newsletter* each year in September, November, February, and May. The September issue contains a record of the previous year's activities, a copy of the constitution of the Association, and the rules under which the contests are conducted. The other three issues include current news items, announcements, and contributed articles.

Districts and Sections

For information about sub-district or district contests, schools are advised to write or phone their district chairman. For information about sectional contests, they should communicate directly with their sectional chairman. The secretary-treasurer of the Association is the person to write or phone concerning state contests.

The district directory in the front part of this *Newsletter* and the roster of schools in the back show the districts to which members belong. The names, addresses, and phone numbers of the district and sectional chairmen are on the inside front cover.

Elections of Board Members

The normal schedule for electing persons to the 14-member Board of Control is to have five people elected each fall, except for every third year when four are chosen. Of the Board members elected each year, one is a speech teacher or coach, who serves as a sectional chairman. The others are high school principals or school administrators, who function as district chairmen. Board members are elected for three-year terms by schools within the district or section. District chairmen and sectional chairmen may be re-elected.

In October 1970 it will be necessary to hold elections in the following districts and sections for the terms indicated:

| District or Section | Term | Incumbent |
|------------------------|---------|--------------------------|
| Kenosha District | 1970-73 | Joseph P. Schwei |
| Stevens Point District | 1970-73 | J. C. Gillmann |
| Superior District | 1970-73 | Frank Cirilli |
| Northern Section | 1970-73 | Marylou Patterson |
| Southern Section | 1970-71 | Sr. Ann Marie Trimberger |

Dr. Joseph P. Schwei, Principal of West Milwaukee High School, served as chairman of the newly created Kenosha District last year. In doing so he filled the unexpired term of Mr. Walter J. Mountin, chairman of the former Milwaukee District. At the Board meeting last May, Dr. Schwei stated he would not be a candidate for re-election in October.

Mr. J. C. Gillmann, Administrator of Marathon Public Schools, has been chairman of the Stevens Point District since 1956. Besides being a district chairman, he is also chairman of the Board of Control. Mr. Gillmann has consented to be a candidate for another term.

Mr. Frank Cirilli, Principal of Superior Senior High School, was elected to the chairmanship of the Superior District in 1968 to fill the unexpired term of Mr. Gordon Nelson who resigned for health reasons. Mr. Cirilli told the Board he would be a candidate again in October 1970.

Mrs. Marylou Patterson, speech teacher and coach at Memorial High School in Eau Claire, has been chairman of the Northern Section since 1964. At the meeting of the Board last spring she said she would be a candidate for re-election this fall.

Sister Ann Marie Trimberger, teacher and coach at Pius XI High School in Milwaukee, was appointed as interim chairman of the Southern Section last spring. Her appointment grew out of the resignation of Mr. Norman D. Flynn, who chose to leave the teaching profession at the close of the school year. The WHSFA constitution provides that the chairmanship of a district or section shall be declared vacant when the incumbent leaves the profession. It also requires the appointment of a temporary chairman to fill the vacancy until the next annual election. Sister Ann Marie consented to serve the Association as an interim chairman. In the October election a teacher or coach in the Southern Section will be elected for one year to fill Mr. Flynn's unexpired term.

Calendar of Contest Dates

A five-year calendar of WHSFA contest dates is published in the front section of this *Newsletter*. This calendar was approved by the Board of Control last spring and differs from previous five-year calendars in one important respect. All dates except those for sub-district contests are *firm* dates. District, sectional and state contests will be held on the dates designated. The dates shown for sub-district competition are the *latest* dates on which sub-district contests may be held.

By fixing *firm* dates for district, sectional, and state WHSFA contests and publishing those dates five years in advance, it is hoped that conflicts with other activities may be avoided or reduced. Conflicts with the state speech contest in April are especially critical because of the large number of contestants involved and because of the distances some students must travel.

Drama Contest

To help drama directors in their search for plays for the fall drama contest, the state office again has published and distributed to all member schools a *Play List* which gives the titles of recommended plays. This advisory type of list is consistent with the WHSFA policy of permitting a school to use any play it wishes in the drama contest.

Any school expecting to enter the drama contest this fall must send to its *WHSFA district chairman by October 1* the name and author of the play it has chosen for the contest. If the final choice of play has not been determined by October 1, the names of those in preparation are to be sent in. In previous years this information was mailed to the state office which forwarded it to district chairmen. Beginning this fall it is to be sent directly to the *WHSFA district chairman*. Any school which does not meet the October 1 deadline will be ineligible to participate in the drama contest, according to a supplementary rule for drama.

Several new rules governing the drama contest were adopted by the Board of Control at its meeting last May. These rules prohibit a school from using the same play two successive years, using a musical drama, or using a production which is predominantly choral speaking. All the rules for the drama contest will be found in this *Newsletter* under Contest Regulations in the General Rules, and in the Supplementary Rules for Drama.

Debate Contest

OFFICIAL WHSFA DEBATE PROPOSITION FOR 1970-71

RESOLVED: That the federal government should establish, finance, and administer programs to control air and water pollution in the United States.

As in previous debate seasons, the four issues of *The Forensic Quarterly*, published by the Committee on Discussion and Debate of the National University Extension Association, will be sent to all schools planning to enter debate this year. The quarterlies are purchased from the Committee by the state office and are distributed at no cost to member schools which plan to take part in debate. Other materials which are received from the Committee on Discussion and Debate will also be mailed to those schools which indicate on their membership registration card an intention to participate in debate.

The WHSFA debate competition consists of district tournaments, sectional tournaments, and a state tournament. The structure of the state tournament provides for the selection of a single first-place winner, a second-place winner, and two third-place winners. In addition, there is a consolation series in the state tournament, for teams which do not survive the qualifying rounds. All the regulations which apply to the WHSFA debate contest are given in this *Newsletter* under the heading Supplementary Rules for Debate and under Contest Regulations, Section 7 of the General Rules.

Speech Contest

The spring forensic program is the largest activity sponsored by the WHSFA. It provides thousands of students an opportunity to participate in a variety of events and compete with talent from the entire state. Many schools hold local contests to select contestants who represent them in WHSFA competition at the sub-district, district, and state levels.

Detailed information about the different spring speech events will be found in the *WHSFA Contest Handbook*, two copies of which are mailed to each member school. Specific rules for each event are published in this *Newsletter* in the supplementary rules for each contest.

Speech Institutes

Universities and colleges in Wisconsin support the program of the Wisconsin High School Forensic Association in a number of ways. The departments of speech, communication, and theatre in several of them sponsor institutes and workshops for high school students and coaches.

Shown below are those institutes reported to the state office in response to an inquiry sent out last spring. Included is a workshop sponsored by the Wisconsin Debate Coaches Association. If you decide to take your students to a particular institute, write to the person in charge of the program for detailed information. Do not assume you will automatically receive announcements from the host institution or group. Your school may not be on the mailing list used by the sponsoring organization.

Independent Debate Tournaments

Besides the WHSFA debate competition, there are a large number of independent tournaments for high school debaters in Wisconsin. These not only provide additional experience but often afford training in a different type of debating, particularly cross examination. Although the Board of Control has decided that the standard debate format should be used in WHSFA tournaments, it commends the use of other forms in other competition.

The following is a calendar of independent tournaments scheduled for the 1970-71 school year. Included in the list are all those tournaments reported to the state office in response to inquiries which were sent out. The schedule prepared by the Wisconsin Debate Coaches Association is incorporated in the following calendar.

In the listing of a tournament, information given in parentheses indicates the level of competition: V for varsity debaters, JV for junior varsity, and N for novice. The type of debating is also identified: *Stand* means standard or the traditional form of four constructive speeches followed by four rebuttal speeches; *Cross Ex* stands for cross examination.

Some of the tournaments listed are open to all schools wishing to participate, while others are invitational contests. Before making plans to take debaters to any of the tournaments in the schedule which follows, it would be well to write to the person in charge of the particular program for further information about the event.

Independent Forensic Tournaments

The organizing of the Wisconsin Forensic Coaches Association last spring has prompted more independent forensic tournaments to be planned than ever before. These programs, also known as speech tournaments, give students additional opportunities to participate in such events as oratory, extemporaneous speaking, and reading.

Information concerning the tournaments and festivals listed below came from individual host schools and from the recording secretary of the WFCFA. You are strongly urged to write to the person designated as being in charge of a given program if you are interested in taking your students to it. The calendar below is designed to inform coaches of tournaments which have been scheduled; details must be obtained from the sponsoring schools.

Professional Organizations

There are in Wisconsin three professional organizations for teachers of speech and coaches of extra-curricular speech activities. None is directly affiliated with the WHSFA, but all have interests and concerns which are shared by the WHSFA. Therefore we are happy to include in this *Newsletter* the names of the organizations, their respective purposes, and their officers.

Wisconsin Speech Association has a membership of speech teachers in the state at all educational levels. Its avowed purpose is "to unite the teachers, coaches, and supervisors of speech in Wisconsin in order to promote (1) better training of speech teachers, (2) better speech training and better coaching and supervising of speech activities, and (3) more and better speech training in the schools of Wisconsin." The current officers of the WSA, until November 1970, are: President, Dr. R. R. Allen, University of Wisconsin, Madison; Vice-President, Mr. Wallace E. Buchholz, Wauwatosa West High School; Secretary, Dr. Richard H. Carrington, University of Wisconsin-Parkside, Kenosha; Treasurer, Mrs. Hermione D. Knapp, Janesville Craig High School. For further information about the WSA and its programs, write to the secretary, Dr. Richard H. Carrington, University of Wisconsin-Parkside, Kenosha 53140.

Wisconsin Debate Coaches Association has both school and individual memberships. Individual membership is open to any person in the state connected in any way or interested in debate. The purpose of the WDCA as stated in its constitution is "to promote the interests of interscholastic debate in Wisconsin by assisting in the regulation and improvement of tournaments and by serving as a forum for the airing of opinions relative to these objectives." The officers for 1970-71 are: President, Mr. Anthony Busalacchi, Whitefish Bay High School; Vice-President, Mr. Craig R. Streff, Wauwatosa East High School; Recording Secretary, Miss Drucilla Munson, Brookfield Central High School; Corresponding Secretary, Duane Lemcke, Oak Creek High School; Treasurer, Mr. James L. Hinds, Greenfield High School. If you would like to know more about the WDCA and its activities, write to Mr. Anthony Busalacchi, Whitefish Bay High School, Whitefish Bay 53217.

Wisconsin Forensic Coaches Association is the newest of the three organizations, formed in the spring of 1970. Its membership is comprised of coaches of inter-school forensic activities. Its declared purpose is "to promote the interests of interscholastic forensics in Wisconsin by assisting in the regulation and improvement of forensic practices and by serving as a forum for the airing of opinions concerning forensic activities." The officers elected for 1970-71 are: President, Mr. Robert E. Scott, Delavan-Darien High School; Vice-President, Mr. Kenneth Thames, Marquette University High School; Recording Secretary, Mr. William Hintz, Badger High School, Lake Geneva; Corresponding Secretary and Treasurer, Mr. J. M. Copeland, Marquette University High School. Should you wish additional information about the WFCFA, write to Mr. J. M. Copeland, Marquette University High School, 3401 West Wisconsin Avenue, Milwaukee 53208.

† This rule change was adopted by the Board of Control at its spring meeting on May 7-8, 1970. Previously the information had to be sent to the secretary-treasurer, who forwarded it to the district chairman.

* This rule was adopted by the Board of Control at its spring meeting on May 7-8, 1970.

** The 1970-71 WHSFA debate proposition was selected through a preferential referendum conducted by the state office last spring. All schools which participated in debate in 1969-70 received ballots.

- those debates in which their team is participating. They may not take part in the debate in any way except in case of illness of a debater. No debater shall participate on both sides in the same district or sectional tournament, nor in the first three rounds of the state tournament.
4. The order of debating shall be: constructive speeches—affirmative, negative, affirmative, negative; rebuttal speeches—negative, affirmative, negative, affirmative.
 5. Time.

 - b. There shall be an official timekeeper for each debate.
 - c. Time cards shall be used for all contest debates. The timekeeper shall be seated in full view of the debaters, facing them, and shall display time cards to indicate at one-minute intervals the amount of time remaining for each debater. There shall also be a card to indicate when only one half minute remains.
 - d. The timekeeper shall rise and remain standing at the full expiration of time for each constructive and rebuttal speech. When the timekeeper rises, the debater shall complete only the sentence already begun. If he continues beyond that sentence the judge shall stop him. Being stopped shall in no way affect the decision.
 - e. The affirmative team shall provide time cards for each debate.
 6. Judges in debate tournaments are asked to submit brief written comments for each debate on forms provided by the state office.
 7. All schools which qualify to advance from the district to the sectional, and from the sectional to the state debate contest shall be given Certificates of Achievement. These certificates are provided by the state office and delivered to district and sectional chairmen as required. The recipient schools shall be responsible for entering the specific data on the certificates.
 8. Tournament Procedure.
 - a. The order of participation in district and sectional debate contests, as well as in the first three rounds of the state debate tournament, shall be determined by drawing lots at the beginning of the contest.
 - b. In the event a debate team is not present at the time of the drawing, the contest manager shall draw for that team.
 - c. If a team does not appear by the scheduled starting time, the other debates shall proceed as scheduled. If the tardy team is ready to debate within 15 minutes of the scheduled starting time, it shall be allowed to proceed without prejudice or penalty and with no reduction of time for constructive and rebuttal speeches. If the tardy team is not ready within 15 minutes of the scheduled starting time, it shall forfeit the debate to the opposition.
 - d. Unless the contest manager has good reason to believe that a team which failed to appear for the first round will be ready to debate at the start of the second round, he shall, during the first round, re-schedule the succeeding rounds. Ten minutes before the second round he shall post the original schedule if the late team has arrived, or the revised schedule if the late team has not arrived. No change shall be made after the posting of the schedule.
 - e. If a late team misses the first two rounds, it shall be ineligible to participate in any succeeding rounds.
 9. District Tournaments.
 - a. Each district shall hold a debate tournament of three rounds if there are seven or more schools in the district wishing to compete in debate. If there are fewer

than seven such schools, the district chairman shall arrange to have them compete in a tournament of another district within the same section.

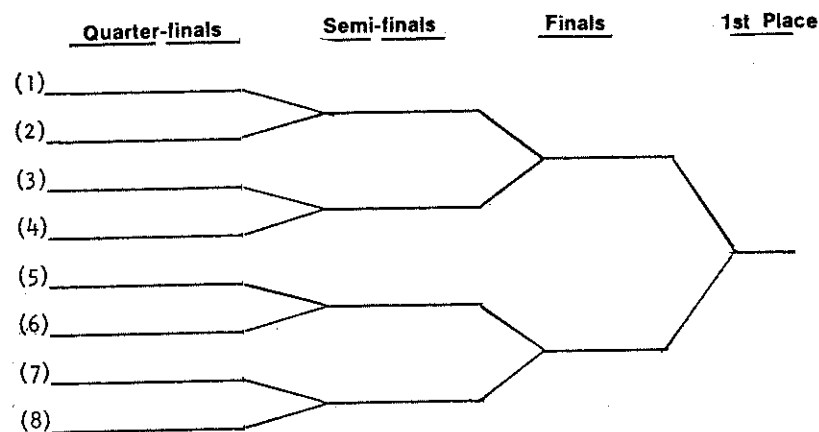

- b. Any school which achieves a record of four wins and two losses, or better, in a district tournament shall be eligible to participate in sectional tournament competition.

10. Sectional Tournaments.

- a. Each section shall hold a debate tournament of three rounds.
- b. Any school which achieves a record of four wins and two losses, or better, in a sectional tournament shall be eligible to participate in the state tournament.

11. State Tournament.

- a. There shall be a state tournament, structured to determine a single first-place winner: three qualifying rounds; a run-off round, if necessary, to reduce the number of teams to eight; and three elimination rounds (an eight-team bracket) in which winners advance from quarter-finals, to semi-finals, to finals.
- b. All schools competing in the state tournament shall enter a team of affirmative and negative debaters in the first three rounds of the tournament. Any school which achieves a record of four wins and two losses (4-2), or better, in the first three rounds shall be eligible for further competition.
- c. Each school having a 4-2 record, or better, in the first three rounds shall certify a team of four debaters from which the school's coach may select any two debaters just before the start of any round in the elimination. Debaters may participate on both sides, affirmative and negative, after the three qualifying rounds in the state tournament.
- d. No more than eight schools shall participate in the elimination rounds of the tournament, an eight-team bracket.

Since competition in the elimination rounds is restricted to eight schools, if more than eight have a 4-2 record, or better, in the qualifying rounds, a run-off round shall be held to reduce the number to eight. To determine which schools are to compete in a run-off round, lots shall be drawn by schools with the lowest qualifying records.

- e. If fewer than eight schools have a 4-2 record, or better, some will be given byes. The usual method for determining byes shall be the drawing of lots by schools with the highest record. However, if the number of byes is the same or greater than the number of schools with a 6-0 record, those schools with a 6-0 shall automatically receive byes. Any remaining byes shall be drawn for by schools with the next highest record.
- f. When establishing the eight-team bracket, the following pairings should be avoided whenever possible: the meeting of *teams* which have met previously in the tournament, the meeting of *schools* which have met previously in the tournament, and pairing undefeated teams in the quarter-finals.
- g. In the elimination rounds, schools which advance should switch sides each round if possible. When this is impossible, sides shall be assigned by the contest manager, using as a determining factor the number of times a school has debated on a given side in previous elimination rounds. If both schools have debated each side the same number of times, the decision shall be made by drawing lots. However, if two schools have met previously in the tournament and are scheduled to meet again, they shall be assigned sides opposite those debated in the previous meeting.
- h. In the first three rounds of the state tournament, each debate shall be judged by a single judge. In the quarter-final and semi-final rounds, each debate shall be judged by a panel of three judges. The final round shall be judged by a panel of five judges.
- i. Coaches are asked not to attend any round of debate at the state tournament except the final round.
- j. A consolation series of debates will be held for teams which do not survive the qualifying rounds.
- k. Debates in the consolation series are to be judged by coaches of teams in the championship bracket, without an honorarium, a single judge for each debate.

5. A student may not use the same selection more than one school year.
6. Declamations may be humorous or non-humorous, but only one contest shall be held, termed *Memorized Declamation*.

XII. Supplementary Rules for Play Acting

1. In this event a group comprised of two to five contestants will present a scene from a play, without costumes, make-up, lights, or properties other than an available table (or desk as a substitute) and chairs, if the scene requires them. Hand props as well as stage props, other than those mentioned, are prohibited.
2. Music and sound effects are not permitted.
3. Lines are to be spoken from memory and contestants are encouraged to move as they would in a fully-produced play.
4. Only one entry of two to five persons will be permitted from each school.
5. Each contestant in the group shall portray only one character.
6. There is no list of approved or prohibited plays for this contest. A choice from the *Play List* is suggested.
7. The time of the presentation shall not exceed 15 minutes. This includes the remarks the group may choose to make in introducing or explaining the scene it has chosen. At the expiration of 15 minutes, the timekeeper (or judge) shall stand and remain standing and the contestant speaking shall complete only the sentence already begun. If he continues beyond that sentence the judge shall stop him. Being stopped shall in no way affect the rating.
8. There is no rule prohibiting a group from changing its play as it advances from one contest to the next.
9. In the event that one of the group is unable to appear at a contest, the coach may substitute any other eligible student.
10. The registration fee for this event at the state contest is \$5.00 for each member of the group.
11. A presentation in this contest shall be judged as a whole, but each participant shall receive identical individual awards.

PART IV

ANNUAL REPORT

The September issue of the WHSFA *Newsletter* is historical in nature, giving an account of the Association's activities during the previous year. Besides recording the membership of the Board of Control and presenting the 1969-70 financial statement of the state office, this section of the *Newsletter* reports the achievement of contestants. Of special interest are the participation summaries on pages 50, 62, and 84. These reveal the large number of students in Wisconsin high schools who benefitted from the program of the WHSFA last year.

BOARD OF CONTROL

At the close of 1968-69, the WHSFA constitution was amended to create two new districts, thereby adding two more district chairmen to the Board of Control. This addition increased the size of the Board from 12 to 14 members. The elections in the fall of 1969-70 were held to select eight chairmen, some to new chairmanships and others to fill vacancies caused by the expiration of terms of office and by persons leaving the Board.

Mr. Peter C. Hamel, Principal of Green Bay Preble High School, was elected to the chairmanship of the new Green Bay District for a three-year term, 1969 to 1972. Mr. Hamel had been chairman of the former Oshkosh District for three years. After the creation of the Green Bay District in the spring of 1969, he became chairman of that district by reason of his school's location.

Dr. Joseph P. Schwei, Principal of West Milwaukee High School, was elected as chairman of the new Kenosha District for one year, 1969-70, to fill the unexpired term of Mr. Walter J. Mountin who resigned from the Board because of a change in his position in the Oak Creek school system. Mr. Mountin had been Principal of the Oak Creek Senior High School, and had served as chairman of the former Milwaukee District since 1966.

Mr. Thomas J. Lynch, Principal of New Holstein High School, was elected chairman of the new Oshkosh District for a three-year term, 1969-72. When this district was created in the spring of 1969, Mr. Lewis Drobnick, Administrator of Omro Public Schools, consented to be temporary chairman for the district until the fall elections. Mr. Drobnick's work in organizing the new district deserves special mention and thanks from the Association.

Mr. Raymond Behnke, Principal of Cedarburg High School, was appointed by the Board in the spring of 1969 as interim chairman of the new Milwaukee District. After serving in a temporary capacity, he was elected to regular membership last fall. His term of office as chairman of the Milwaukee District is for two years, 1969 to 1971. This shorter term is necessary in order to establish an equitable rotation schedule, with no more than five Board members normally being elected in any one year.

Mr. Herman Laatsch, Administrator of Argyle Public Schools, was re-elected to a second consecutive term as chairman of the Platteville District. He had been on the Board previously, from 1961 to 1963. His present term of office is for three years, 1969 to 1972.

Mr. George Buckingham, Director of Student Affairs in the Whitewater Public Schools, was re-elected to a fourth consecutive term as chairman of the Whitewater District. He first came to the Board in 1960. His present three-year term is from 1969 to 1972.

Mr. Wallace E. Hoffman, drama coach and teacher at Green Bay Southwest High School, was elected to succeed Mr. Ervin C. Marquardt as chairman of the Central

Section. Mr. Marquardt decided not to be a candidate for re-election after having been on the Board for 18 years. Mr. Hoffman's term is for three years, 1969-72.

Mr. Norman D. Flynn, speech teacher and debate coach at Monona Grove High School until the close of last school year, was elected to the chairmanship of the Southern Section in October 1969. He had served as an appointed interim chairman for several months prior to his election. The vacancy filled by Mr. Flynn was created when Mr. Arthur S. McMillion, former chairman of the Southern Section for seven years, moved from West Bend Senior High School to Eau Claire Memorial, a school located in another section. Last spring Mr. Flynn left the teaching profession, causing the chairmanship of the Southern Section to be open again. To provide for continuous leadership in this section, Sister Ann Marie Trimberger, teacher and debate coach at Pius XI High School in Milwaukee, was appointed to serve until the elections this fall.

In 1969-70 the Board of Control held two regular meetings, one in November and one in May. Highlights of the meetings were reported in the November 1969 and May 1970 *Newsletters*. Should any member school wish a complete set of minutes for either or both of these meetings, they may be obtained by requesting them from the state office of the Association.

STATE DEBATE TOURNAMENT

February 27-28, 1970

The University of Wisconsin, Madison

RESOLVED: *That Congress should prohibit unilateral United States military intervention in foreign countries.*

In 1969-70 the state debate tournament included three qualifying rounds for all schools entered, plus an eight-team elimination bracket for schools with a record of 4 wins and 2 losses, or better, in the qualifying competition. This was the same tournament plan introduced last year. However, in 1969-70 a consolation series was added to the state tournament for the first time. All schools which did *not* qualify for the elimination bracket participated in two more rounds of debate. The win-loss record for the three qualifying rounds plus the two additional rounds determined the winner of the consolation series.
