WELCOME TO MEMBERSHIP

Since 1947 one of the pages in the front part of each September issue of the *Newsletter* has carried the heading INVITATION TO MEMBERSHIP. It was an appropriate heading during all the years the *Newsletter* and the membership registration materials were sent out simultaneously, at the start of a new school term.

The old heading would be inappropriate in this issue of the *Newsletter* because a number of schools have already renewed their membership in the Association and have paid their dues for 1969-70. This year, as in 1968, the state office mailed out membership registration cards the middle of July. We hope the early mailing will reduce a bit of the pressure which accompanies the start of every school year. We know it helps distribute some of the work in the state office over a greater span of time.

Most of the schools which have joined, or will join, the WHSFA for 1969-70 have been members of the Association for more than 30 years. The membership roster in the back part of the *Newsletter* not only gives the names of the 463 schools which belonged to the WHSFA last year but also the number of years each has been a member.

Membership in the Association is open to all schools in Wisconsin, public or private, which offer work at the 9th, 10th, 11th, or 12th grade levels. Junior high schools as well as senior high schools may join, but only their 9th grade students may compete in WHSFA contests.

The primary function of the Association, without a doubt, is to conduct the major inter-school forensic contest program in the state. However, the purpose of this program is not simply to name winners. More important is the educational experience gained by the thousands of Wisconsin high school students who participate in debate, drama, and speech contests each year. The participation summaries for 1968-69 on pages 48, 61, and 84 in this *Newsletter* are revealing. The large number of participants, especially at the local level, should dispel any fear that the WHSFA program benefits only a select few.

The nature and quality of the Association's program is the concern of the WHSFA Board of Control. This elected group which determines the policies of the Association is comprised of 14 educators. Eleven are high school principals or administrators who serve as chairmen of the 11 districts. Three are speech teachers or coaches who function as chairmen of the three sections. As Board members these 14 people establish the policies and rules of the Association. As chairmen of districts and sections they administer those policies and rules which apply to their particular areas.

The principal administrative officer of the WHSFA is the secretary-treasurer, who is responsible for the state office of the Association. He is a faculty member employed by University Extension, which also provides the space and equipment for the office. The WHSFA will contribute \$7,500 in 1969-70 toward the salaries of the secretary-treasurer and the state office stenographer.

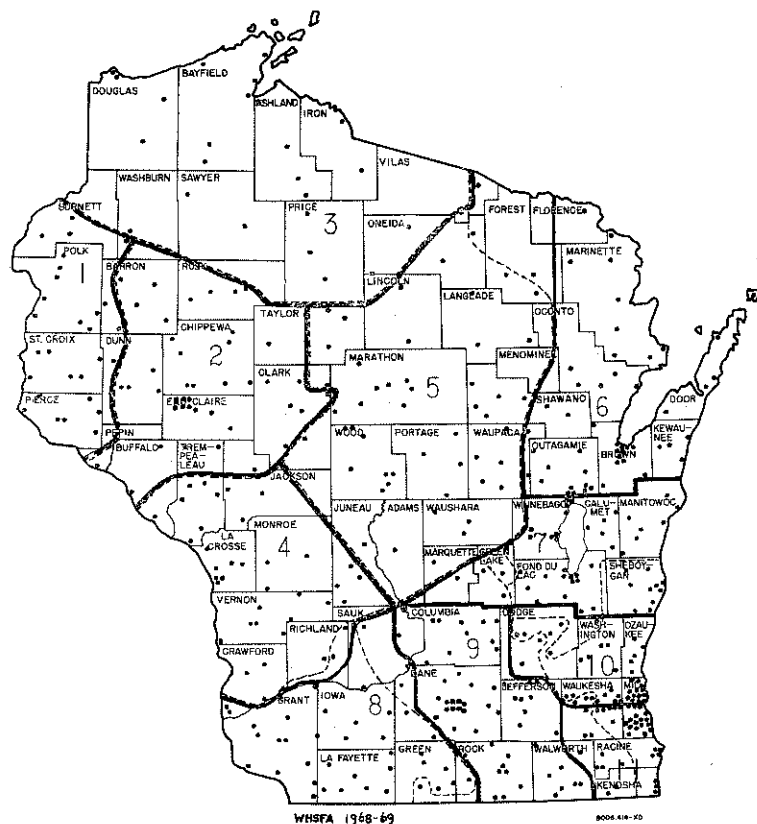

Each membership year in the Association begins on September 1 and ends on August 31. Annual dues are payable on or before October 1. The schedule of dues adopted by the Board at its meeting in May 1969 is as follows:

- \$25 for schools with an enrollment of 149 or less
- \$35 for schools with an enrollment of 150 to 349
- \$40 for schools with an enrollment of 350 or more

Money collected in dues is used for a variety of purposes. It pays for: expenses of Board meetings and committee meetings; part of the salaries of the secretary-treasurer and the stenographer in the state office; publication of four issues of the *Newsletter*, the *Contest Handbook*, *Play List*, and other special pamphlets; purchase of materials for use in contests, especially debate; and the cost of mailing publications and materials to the member schools.

We hope you consider the activities of the Association to be a worthwhile part of your school program. We will be pleased to see the name of your school on the 1969-70 membership roster of the Wisconsin High School Forensic Association.

At its meeting on May 1-2, 1969 the WHSFA Board of Control ratified the constitutional amendment which created two new districts. This amendment had been endorsed in a mail referendum by a vote of 260 to 8. Referendum ballots were sent to all member schools. Below is the re-alignment of districts, according to boundaries specified in explanations published prior to the referendum in the WHSFA Newsletter for February 1969.

MRS. MAILER RETIRES FROM UNIVERSITY EXTENSION

Mrs. Julia Mailer, Speech Consultant to the Wisconsin High School Forensic Association since 1959, retired from her position as librarian of the theatre collection of the University Extension on June 30, 1969. Even before her designation as Speech Consultant, Mrs. Mailer served the Association in many ways.

Director of plays will remember her as a drama consultant, helpful in recommending scripts, suggesting methods of costuming, and giving counsel on directing. Contestants will remember her as a judge in play competition and in the reading events—one who was interested in the development of the students and gave freely of her time talking with them. Coaches and students alike will remember her as an instructor in speech institutes and workshops, sharing her knowledge of literature and ways of getting the meaning intended by the author and giving that meaning to the listeners.

As the WHSFA Speech Consultant, Mrs. Mailer also contributed to the state forensic program through the compilation of play lists, the preparation of bibliographies of publications, writing for the contest handbook, and advising the Board of Control at their meetings. To the Secretary-Treasurer of the Association she was a knowledgeable colleague, personal friend, and trusted counselor.

Mrs. Mailer was ideally suited to the position she held in University Extension for 17 years. The theatre dominated her life from the time she was a young child and

her grandfather took her to stage plays. This introduction kindled her interest and she and her playmates often spent days putting together their own plays and revues. They were staged in neighborhood backyards and, a time or two, in the old Fuller Opera House in downtown Madison.

After graduating from the University of Wisconsin, where she was active in campus productions, she taught school in Evanston, Illinois; performed with the North Shore Theatre Guild; and directed the Galesburg Prairie Players. In the 1940's she returned to Madison, obtained her master's degree in speech from the University and then taught in the University Speech Department for six years before joining the University Extension Library in 1952.

During her years as drama librarian Mrs. Mailer not only assisted teachers and students in the Wisconsin High School Forensic Association program, but aided many other persons throughout the state. The 4-H clubs of Wisconsin, the Wisconsin Idea Theatre Conference, community theatres, religious and experimental theatre groups, children's theatre conferences—these are but a few of the organizations which, along with the Wisconsin High School Forensic Association, have profited from Mrs. Mailer's love and knowledge of the theatre combined with a dedication to be of service to others.

PART I

GENERAL INFORMATION

ANNUAL DUES MUST BE PAID ON OR BEFORE OCTOBER 1. THE BOARD OF CONTROL HAS RULED THAT A SCHOOL WHICH FAILS TO PAY ITS DUES BY OCTOBER 1 MAY NOT PARTICIPATE IN ANY ASSOCIATION ACTIVITY.

Membership Registration

Last July each school which was a member of the WHSFA in 1968-69 was sent a set of membership registration cards and a statement requesting payment of dues. When the filled-in cards are received by the state office, one copy is filed and the other is forwarded to the district chairman. Thus both the state office and the district chairman have information about the contest activities a school plans to enter, the names of the coaches in charge, and the payment of dues. The cards are also used in the preparation of state and district mailing lists.

At the start of the school year, members receive the following materials from the state office:

- Four copies of the WHSFA *Newsletter* for September 1969
- Two copies of the WHSFA *Contest Handbook* and *Play List*
- Reference material on the debate proposition, if the school indicated on the registration card that it planned to participate in debate
- An order blank for forensic materials

WHSFA Newsletters

The state office publishes a *Newsletter* each year in September, November, February, and May. The September issue contains a record of the previous year's activities, a copy of the constitution of the Association, and the rules under which the contests are conducted. The other three issues include current news items, announcements, and contributed articles.

Districts and Sections

For information about sub-district or district contests, schools are advised to write or phone their district chairman. For information about sectional contests, they should communicate directly with their sectional chairman. The secretary-treasurer of the Association is the person to write or phone concerning state contests.

The district directory in the front part of this *Newsletter* and the roster of schools in the back show the districts to which members belong. The names, addresses, and phone numbers of the district and sectional chairmen are on the inside front cover.

Elections of Board Members

The normal schedule for electing persons to the 14-member Board of Control is to have five people elected each fall, except for every third year when four are chosen. Of the Board members elected each year, one is a speech teacher or coach, who serves as a sectional chairman. The others are high school principals or school administrators, who function as district chairmen. Board members are elected for three-year terms by schools within the district or section. District chairmen and sectional chairmen may be re-elected.

In October, 1969 it will be necessary to hold elections in the following districts and sections:

<i>District or Section</i>	<i>Term</i>	<i>Incumbent</i>
Green Bay District	1969-72	Peter C. Hamel
Kenosha District	1969-70	Walter J. Mountin (Resigned)
Milwaukee District	1969-71	Raymond Behnke (Interim)
Oshkosh District	1969-72	Lewis Drobnick (Interim)
Platteville District	1969-72	Herman Laatsch
Whitewater District	1969-72	George Buckingham
Central Section	1969-72	Ervin C. Marquardt
Southern Section	1969-71	Norman D. Flynn (Interim)

To establish the rotation pattern in which five Board members are elected regularly each year, except for every third year when four are elected, the first term of the chairman for the new Milwaukee District will be for only two years. After the initial two years, the term will be three years, the same as for all other districts and sections.

The number of persons who will be elected to the Board of Control in October 1969 is larger than usual for two reasons. The first is the creation of two new districts last year, an action accomplished by amending the constitution of the Association, as reported in the *Newsletter* for May 1969. The second reason is the acceptance of new positions by two Board members, making it necessary to hold elections to fill their unexpired terms.

Mr. Walter J. Mountin, chairman of the old Milwaukee District since 1966, changed his position in the Oak Creek educational system from Principal of the senior high school to Director of Adult and Vocational Education. Because his new responsibilities remove him from high school administration, he resigned from the WHSFA Board of Control effective immediately after the October election. Until his successor is elected, Mr. Mountin will serve as chairman of the new Kenosha District since his school is located in that area.

Mr. Arthur S. McMillion, who had been chairman of the Southern Section since 1962, left his teaching and debate coaching position at West Bend Senior High School at the close of the past school year. He accepted a new appointment at Eau Claire Memorial High School, which is in the Northern Section. Since the constitution requires a Board member to be in the district or section he represents, the office held by Mr. McMillion became vacant last spring. To provide for continuous representation, the Board appointed Mr. Norman D. Flynn, speech teacher and debate coach at Monona Grove High School, to serve as an interim chairman for the Southern Section until the fall election.

Interim chairmen were also appointed for the two districts left without representation as a result of the new 11-district organization. Mr. Raymond Behnke, Principal of Cedarburg High School, was designated as temporary chairman of the new Milwaukee District until the fall election. Mr. Lewis Drobnick, Administrator of Omro Public Schools, was named as interim chairman of the new Oshkosh District.

Mr. Peter C. Hamel, Principal of Green Bay Preble High School, had been chairman of the old Oshkosh District since 1966. With the creation of the two new districts, he became chairman of the Green Bay District by virtue of his school's location.

Calendar of Contest Dates

At its spring meeting in Madison last May the Board of Control adopted a calendar of contest dates for 1973-74 which become a part of the WHSFA five-year calendar. This five-year calendar is printed in the front section of this *Newsletter*. The contest calendar for 1969-70 is also printed on the inside of the front cover for easy reference.

By publishing the WHSFA contest dates five years in advance it is hoped that conflicts with other activities may be avoided. Conflicts with the State Speech Contest in April are especially critical because of the large number of contestants involved and because of the distances some students must travel.

Calendar of Contest Dates

At its spring meeting in Madison last May the Board of Control adopted a calendar of contest dates for 1973-74 which become a part of the WHSFA five-year calendar. This five-year calendar is printed in the front section of this *Newsletter*. The contest calendar for 1969-70 is also printed on the inside of the front cover for easy reference.

Conflicts with the State Speech Contest in April are especially critical because of the large number of contestants involved and because of the distances some students must travel.

Drama Contest

Again this year the state office has published and distributed to all members a Play List giving the titles of recommended plays. This type of list is consistent with the policy of permitting a school to use any play it wishes in the drama contest.

It should be noted, however, that any school planning to enter the drama contest must send to the secretary-treasurer by *October 1* the name and author of the play it has chosen. To emphasize the necessity of this notification, the Board of Control adopted the rule that any school which does not submit the name of its play, or the names of those in preparation, by October 1 shall be ineligible to participate in the drama contest.

Several other rules deserve special attention. The first is that each school is permitted to enter only *one* play in any WHSFA contest, beginning at the *sub-district level*. Another rule limits the set-up time for each play in any contest to 10 minutes, with no additional time allowed for striking the set of the previous play. A new rule adopted by the Board at its May 1969 meeting states: *Drama contests at the district, sectional, and state levels shall be judged by three judges*. All the rules for the drama contest will be found in the Supplementary Rules for Drama in this *Newsletter*.

Debate Contest

OFFICIAL WHSFA DEBATE PROPOSITION FOR 1969-70

Resolved: That Congress should prohibit unilateral United States military intervention in foreign countries.

The four issues of *The Forensic Quarterly*, published by the Committee on Discussion and Debate of the National University Extension Association, will be sent to all schools planning to enter debate. Other materials which the state office receives from the Committee on Discussion and Debate will also be sent to those schools which indicated on their WHSFA membership registration card an intention to participate in debate.

By action of the Board of Control at its meetings in May and November of 1968, the structure of the WHSFA state debate tournament now provides for the selection of a single first-place winner, a second-place winner, and two third-place winners. At its meeting in May 1969 the Board added, for 1969-70, a consolation series of debates in the state tournament, for teams which do not survive the qualifying rounds. All the regulations governing the WHSFA debate contest are given in this *Newsletter* under the heading Supplementary Rules for Debate.

Speech Contest

The spring forensic program is the largest activity sponsored by the WHSFA. It provides students an opportunity to participate in a variety of events and compete with talent from the entire state. Beginning with local contests, students are selected on the basis of excellence for participation in the district and state contests.

Detailed information about the different contest events will be found in the *WHSFA Contest Handbook*, two copies of which are mailed to each member school. Specific rules governing each event are published in this *Newsletter* in the Supplementary Rules for each contest.

Speech Institutes

The program of the Wisconsin High School Forensic Association receives the support of colleges and universities in the state in a number of ways. The departments of speech in several universities sponsor institutes and workshops for high school students and coaches.

Shown below are those institutes reported to the state office in response to an inquiry sent out last spring. Should you know of an institute which is not listed, please let the secretary-treasurer know so the WHSFA can aid in publicizing it.

Independent Debate Tournaments

Besides the WHSFA debate contests, there are a number of independent high school debate tournaments sponsored each year in Wisconsin. These not only give high school debaters additional experience but often afford training in a different type of debating, particularly the cross-examination style. The Board of Control is aware of the value which comes from a variety of debate experiences; at the same time it believes that introducing new forms of debating in the WHSFA program at the present time might discourage schools which have just entered, or are about to enter, debate competition.

At the meeting of the Board held in Madison May 1968, a decision was reached "that the WHSFA continue to use the traditional type of debating in all levels of competition at this time." This action was followed by the passage of another motion, "that the WHSFA encourage the use of the cross-examination type of debating in practice tournaments."

The following is a list of independent tournaments to be sponsored this coming year. It includes the proposed schedule given to the state office by the Wisconsin Debate Coaches Association last spring and published in the *WHSFA Newsletter* in May. Also in the list are several additional tournaments reported in response to inquiries sent out by the state office.

In the listing which follows, information given in parentheses indicates the level of competition: A for experienced debaters, B for intermediate, C for beginning. The type of debating is also identified: *Standard* for the traditional four constructive speeches followed by four rebuttal speeches, and *Cross X* for the cross-examination style.

If your school plans to host an independent debate tournament this year and it is not shown below, please notify the state office. We will provide whatever publicity we can.

*This rule was adopted by the Board of Control at its spring meeting on May 1-2, 1969.

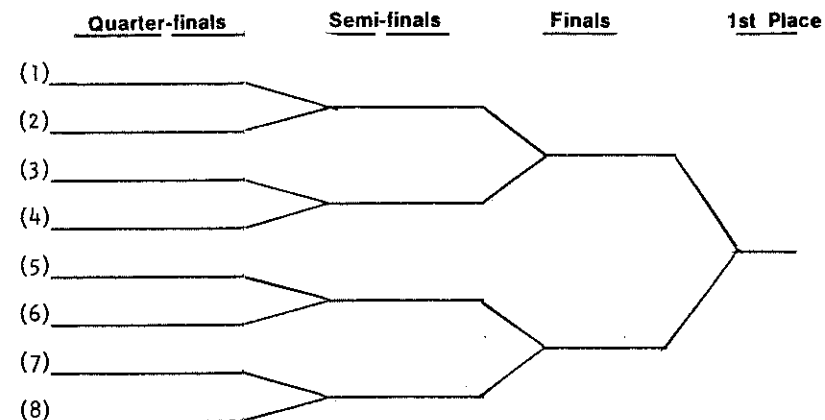

* III. Supplementary Rules for Debate

- †1. The official WHSFA debate proposition for 1969-70 is: *Resolved: That Congress should prohibit unilateral United States military intervention in foreign countries.* The general problem area for discussion and debate in 1969-70 is: *What should be the United States military commitment to foreign countries?*
2. The *Forensic Quarterly* of the Committee on Discussion and Debate of the National University Extension Association shall be the official handbook of the Association.
3. For district and sectional tournaments and for the first three rounds of the state tournament, each school shall certify in advance of the contest a team for each round of debate. This team shall consist of two affirmative and two negative debaters and may also have one or two alternates. The alternates shall attend only those debates in which their team is participating. They may not take part in the debate in any way except in case of illness of a debater. No debater shall participate on both sides in the same district or sectional tournament, nor in the first three rounds of the state tournament.
4. The order of debating shall be: constructive speeches—affirmative, negative, affirmative, negative; rebuttal speeches—negative, affirmative, negative, affirmative.
5. Time.
 - a. Constructive speeches shall not exceed ten minutes; rebuttal speeches shall not exceed five minutes.
 - b. There shall be an official timekeeper for each debate.
 - c. Time cards shall be used for all contest debates. The timekeeper shall be seated in full view of the debaters, facing them, and shall display time cards to indicate at one-minute intervals the amount of time remaining for each debater. There shall also be a card to indicate when only one half minute remains.
 - d. The timekeeper shall rise and remain standing at the full expiration of time for each constructive and rebuttal speech. When the timekeeper rises, the debater shall complete only the sentence already begun. If he continues beyond that sentence the judge shall stop him. Being stopped shall in no way affect the decision.
 - e. The affirmative team shall provide time cards for each debate.
6. Judges in debate tournaments are asked to submit brief written comments for each debate on forms provided by the state office.
7. All schools which qualify to advance from the district to the sectional, and from the sectional to the state debate contest shall be given Certificates of Achievement. These certificates are provided by the state office and delivered to district and sectional chairmen as required. The recipient schools shall be responsible for entering the specific data on the certificates.
8. Tournament Procedure.
 - a. The order of participation in district and sectional debate contests, as well as in the first three rounds of the state debate tournament, shall be determined by drawing lots at the beginning of the contest.
 - b. In the event a debate team is not present at the time of the drawing, the contest manager shall draw for that team.
 - c. If a team does not appear by the scheduled starting time, the other debates shall proceed as scheduled. If the tardy team is ready to debate within 15 minutes of the scheduled starting time, it shall be allowed to proceed without prejudice or penalty and with no reduction of time for constructive and rebuttal speeches. If the tardy team is not ready within 15 minutes of the scheduled starting time, it shall forfeit the debate to the opposition.
 - d. Unless the contest manager has good reason to believe that a team which failed to appear for the first round will be ready to debate at the start of the second round, he shall, during the first round, re-schedule the succeeding rounds. Ten minutes before the second round he shall post the original schedule

*Except for Rules 1, 11j, and 11k, the Supplementary Rules for Debate in this *Newsletter* are the revised rules published in the November 1968 issue. The revision incorporates rule changes relating to the state debate tournament which were adopted by the Board of Control at its meetings on May 2-3, 1968 and November 5-6, 1968.

†The 1969-70 WHSFA debate proposition was selected through a preferential referendum conducted by the state office in April 1969. All schools which participated in debate in 1968-69 received ballots.

- if the late team has arrived, or the revised schedule if the late team has not arrived. No change shall be made after the posting of the schedule.
- e. If a late team misses the first two rounds, it shall be ineligible to participate in any succeeding rounds.
9. District Tournaments.
 - a. Each district shall hold a debate tournament of three rounds if there are seven or more schools in the district wishing to compete in debate. If there are fewer than seven such schools, the district chairman shall arrange to have them compete in a tournament of another district within the same section.
 - b. Any school which achieves a record of four wins and two losses, or better, in a district tournament shall be eligible to participate in sectional tournament competition.
 10. Sectional Tournaments.
 - a. Each section shall hold a debate tournament of three rounds.
 - b. Any school which achieves a record of four wins and two losses, or better, in a sectional tournament shall be eligible to participate in the state tournament.
 11. State Tournament.
 - a. There shall be a state tournament, structured to determine a single first-place winner: three qualifying rounds; a run-off round, if necessary, to reduce the number of teams to eight; and three elimination rounds (an eight-team bracket) in which winners advance from quarter-finals, to semi-finals, to finals.
 - b. All schools competing in the state tournament shall enter a team of affirmative and negative debaters in the first three rounds of the tournament. Any school which achieves a record of four wins and two losses (4-2), or better, in the first three rounds shall be eligible for further competition.
 - c. Each school having a 4-2 record, or better, in the first three rounds shall certify a team of four debaters from which the school's coach may select any two debaters just before the start of any round in the elimination. Debaters may participate on both sides, affirmative and negative, after the three qualifying rounds in the state tournament.
 - d. No more than eight schools shall participate in the elimination rounds of the tournament, an eight-team bracket.

Since competition in the elimination rounds is restricted to eight schools, if more than eight have a 4-2 record, or better, in the qualifying rounds, a run-off round shall be held to reduce the number to eight. To determine which schools are to compete in a run-off round, lots shall be drawn by schools with the lowest qualifying records.

- e. If fewer than eight schools have a 4-2 record, or better, some will be given byes. The usual method for determining byes shall be the drawing of lots by schools with the highest record. However, if the number of byes is the same or greater than the number of schools with a 6-0 record, those schools with a 6-0 shall automatically receive byes. Any remaining byes shall be drawn for by schools with the next highest record.
- f. When establishing the eight-team bracket, the following pairings should be avoided whenever possible: the meeting of *teams* which have met previously in the tournament, the meeting of *schools* which have met previously in the tournament, and pairing undefeated teams in the quarter-finals.
- g. In the elimination rounds, schools which advance should switch sides each round if possible. When this is impossible, sides shall be assigned by the contest manager, using as a determining factor the number of times a school has debated on a given side in previous elimination rounds. If both schools have debated each side the same number of times, the decision shall be made by drawing lots. However, if two schools have met previously in the tournament and are scheduled to meet again, they shall be assigned sides opposite those debated in the previous meeting.
- h. In the first three rounds of the state tournament, each debate shall be judged by a single judge. In the quarter-final and semi-final rounds, each debate shall be judged by a panel of three judges. The final round shall be judged by a panel of five judges.
- i. Coaches are asked not to attend any round of debate at the state tournament except the final round.
- *j. *A consolation series of debates will be held for teams which do not survive the qualifying rounds.*
- *k. *Debates in the consolation series are to be judged by coaches of teams in the championship bracket, without an honorarium, a single judge for each debate.*

The official timekeeper shall use time cards to indicate the passage of each minute of time; he shall stand and remain standing at the end of eight minutes; the participant shall complete only the sentence already begun. PART IV

ANNUAL REPORT

The September issue of the WHSFA *Newsletter* is historical in nature, giving an account of the Association's activities during the previous year. Besides recording the membership of the Board of Control and presenting the 1968-69 financial statement of the state office, this section of the *Newsletter* reports the achievement of contestants. Of special interest are the participation summaries on pages 48, 61, and 84. These reveal the large number of students in Wisconsin high schools who benefitted from the program of the WHSFA last year.

BOARD OF CONTROL

Elections to fill five vacancies on the Board of Control were held in the fall of 1968. Four of the vacancies were caused by the normal expiration of terms of office, and the Board members elected were chosen for three-year terms extending to 1971. The fifth vacancy was the result of a resignation, and the person elected will fill out an unexpired term of office.

Mr. Arthur S. McMillion, a teacher and debate coach at West Bend Senior High School until June 1969, was re-elected last fall as Chairman of the Southern Section. Mr. McMillion first came to the Board in 1962; thus he had served two terms prior to his re-election in October 1968.

Mr. N. F. Panzenhagen, Administrator of Cadott Public Schools, was elected Chairman of the Eau Claire District for a full term. He became a member of the Board in 1967 when he was chosen to complete the unexpired term of Mr. Spoolman who had moved out of the Eau Claire District.

Mr. Edwin Sievers, Principal of Viroqua Senior High School, was re-elected Chairman of the La Crosse District. Mr. Sievers joined the Board for the first time in 1964.

Mr. Daryl K. Lien, Administrator of Amery Public Schools, was elected Chairman of the River Falls District, succeeding Mr. Fred Lundberg of Clayton, who withdrew as a candidate for re-election. Mr. Lien had served on the Board from 1943 to 1953.

A special election was held in the Superior District last fall to fill the unexpired term of Mr. Gordon L. Nelson of Maple, who found it necessary to resign from the Board after being a member for seven years. Mr. Frank Cirilli, Principal of Superior High School, was elected for a two-year period which ends in 1970.

The valuable services provided by the retiring members of the Board deserve to be acknowledged. Besides representing the Superior District, Mr. Nelson held the office of Vice-Chairman of the Board of Control for several years. Mr. Lundberg served the River Falls District for six years and continued to perform his duties until his successor had been chosen.

The Association is also indebted to Mr. Lloyd S. Qualley, Administrator of Park Falls Public Schools, for acting as an interim chairman for the Superior District between the time of Mr. Nelson's resignation in May of 1968 and the election of the Superior District Chairman in the fall. Through his effort a continuity in the forensic program of the Superior District was provided.

Last year the Board of Control held its two regular meetings, one in November and one in May. The major items of business conducted at these meetings are reported in the November 1968 and May 1969 *Newsletters*; however, if any WHSFA member would like the complete record of the Board meetings, copies of the minutes are available through the state office of the Association.

STATE DEBATE TOURNAMENT

February 21-22, 1969

Monona Grove High School, Monona

The tournament was moved from the University of Wisconsin in Madison to Monona Grove High School because of disruptions on the University campus the week before the contest. In the tournament this year all 21 of the schools entered took part in three qualifying rounds of debate. Those with a record of 4 wins and 2 losses, or better, advanced to further competition. A run-off round was held for four schools with a 4-2 record to determine which would enter the quarter-finals of the eight-team elimination bracket, along with the six schools which had qualified by virtue of a record better than 4 wins and 2 losses.

Resolved: That the United States should establish a system of compulsory service by all citizens.

1968-69 STATE DEBATE TOURNAMENT

FIRST PLACE WINNER

MADISON WEST HIGH SCHOOL

With expressions of justifiable pride, the Madison West High School debaters and their coach display their first place award won in the 1968-69 State Debate Tournament. Since the plan of the tournament—three qualifying rounds followed by an eight-team elimination bracket—limited first place to a single winner, the award takes on additional meaning. David Epstein holds the trophy while Bob Camerini steadies it. Sharing their possession are Bill Schwab, Mrs. Ruth Moake—the team's coach, and Andy Rotter.
