INVITATION TO MEMBERSHIP

The Wisconsin High School Forensic Association again invites your membership in a three-fold program designed to provide your students with training and experience in the various fields of speech. If your school offers work at the 9th, 10th, 11th, or 12th grade levels, you are eligible to join with and share in these Association services:

1. An institute program early in the school year is conducted with the cooperation of the Universities and the Wisconsin State Colleges. Here is an opportunity, at the institution nearest you, for teachers and students to receive valuable instruction in the various speech fields.
2. Inter-school contests are held in discussion, drama, debate, radio, and the individual speech activities of declamation, oratory, interpretative reading, play reading, public address, extemporaneous speaking and four minute speaking.
3. WHSFA membership provides help to teachers in the form of lists of recommended books on the teaching of speech, lists of plays, and sources of material. Speech advisors of the University and State Colleges strive to answer your questions about the conduct of your speech training programs.

The Association is managed by a Board of Control of twelve members; nine high school principals serving as chairmen of the nine districts and three speech coaches as chairmen of three sections. Policies and rules are prescribed by this Board and by the member schools at the annual meeting. The secretary-treasurer is employed and paid by the University Extension Division, which also provides the necessary office space.

The annual dues are payable on or before October 1 of each year. These dues covering a membership year corresponding to the regular school year are as follows:

\$13.00 for schools with enrollment of 149 or less

\$15.50 for schools with enrollment of 150 to 349

\$18.00 for schools with enrollment of 350 or more

We hope you will find the activities of the Association a worth-while addition to your school program. Write and ask us whatever questions you may have, or write directly to your district or sectional chairman.

Part I

GENERAL INFORMATION

ANNUAL DUES MUST REACH THE STATE OFFICE ON OR BEFORE OCTOBER 1. THE BOARD OF CONTROL HAS RULED THAT NO SCHOOL MAY PARTICIPATE IN ANY ASSOCIATION ACTIVITY WHOSE DUES HAVE NOT BEEN RECEIVED BY THAT DATE.

Registration

Each school has received with this Newsletter a registration card and a statement for dues. The registration card should be filled in completely and returned *with* the check for dues. The statement for dues is sent to enable you to simplify your payment of dues. It can be presented to your Board of Education or Student Fund Treasurer. However, *if you do this, please send the filled-out registration card with it so that the card and check for dues will come to this office together.*

Filling the card out completely enables us to know in which events the school will participate. Free material is sent *only* for the activities checked on the card. When our office receives the registration card from you, a duplicate is made for our files and the original sent to the district chairman. In this way he knows which schools have paid dues. Those schools are organized into leagues and put on his mailing list to receive letters and bulletins he sends out from time to time with information about contests.

When your dues are received, you will automatically receive a packet of free materials. However, you may not receive it by return mail. The state office is

deluged at this time and the processing of packets will take a few weeks. Packets will be sent out in the order in which dues are received. They contain:

- Copies of new declamations prepared for the year.
- A copy of Winning Orations.
- Debate materials (if you check discussion or debate on the registration card)
- Order blank for forensic materials.
- List of declamations for sale by the Association.
- A copy of Aims, Definitions and Rules of Drama, Debate, and Speech Contests.

Districts and Sections

For information about league and district contests write directly to your district chairman. For information about sectional contests write directly to your sectional chairman, and for information about state contests write the state office.

If you do not know which district you are in, consult the list of member schools on page 52 or map on page 3. The names of the district and sectional chairmen are on the inside front cover.

Calendar

The calendar for 1961-62, which was adopted by the Board of Control is announced on the inside front cover of this *Newsletter*. It is hoped that all leagues, districts, and sections will cooperate with the Association by planning their activities to fit in with this schedule. Plan now to avoid conflicts with other school and community events, such as proms, music festivals, and other special days.

Elections

In October, elections will be held in the following districts and sections.

Northern Section	Dale E. Krammes	incumbent
Milwaukee District	Clarence Thorson	incumbent
Stevens Point District	J. C. Gillmann	incumbent
Superior District	H. F. Connors	incumbent
La Crosse District	H. W. Laatsch*	incumbent

Speech Institutes

The speech institute pattern inaugurated four years ago will continue this season with the Wisconsin universities and colleges sponsoring drama and speech institutes in cooperation with the Wisconsin High School Forensic Association. The location of the colleges and the variety of institutes offer every high school an opportunity to participate. At these institutes instruction is offered in the various speech arts and there is ample opportunity for question and discussion of the problems arising in speech work.

You will automatically receive programs for the institutes to be held at the college in your district. For programs of institutes outside of your district, write directly to the persons listed below. The following institutes were announced as this *Newsletter* went to press.

Whitewater (Discussion)	October 7
University of Wisconsin-Milwaukee (Discussion and Debate)	October 14
University of Wisconsin-Madison (Discussion and Debate)	October 21
Whitewater (For Coaches) Forensics	December 6

Practice Debate Tournament Dates

Last spring we announced that the *September Newsletter* would carry a list of invitational high school practice debate tournaments being held in the state. Our aim is two-fold: (1) to serve as a clearing house for dates, and, (2) to provide new debate tournaments in their area and to whom they might write to be included. This list will be amended in the November Newsletter, so drop us a line if your date has not been included or has been changed.

* Appointed to a one-year term which ends October 31, 1961.

One Act Plays

Selections for the one-act play contest must be made from the list of Approved Plays 1961 (Blue Cover), except for the alternative noted below. Single copies of any approved plays may be borrowed, for examination purposes only, from the library of the University of Wisconsin Extension Division. Production copies of the play you select must be ordered directly from the publisher.

Any school may enter an original one-act play written by the students or faculty of that school provided that it is submitted to our advisor in drama before October 1, and for which final approval has been granted by October 15.

Assistance in choosing the best play for your individual situation may be obtained through the script advisory service of the Wisconsin Idea Theatre.

We also refer you to the selected list of books on play production listed on page 17.

Schools not entering the one-act contest but anxious to give their students a drama experience will be interested in the play-reading event in the spring speech contest. (See page 12 for rules.)

Debate

The problem area for discussion and debate for 1961-62: "What Should Be the Role of the Federal Government in Education?"

The question provides an excellent opportunity to correlate debate work with the social studies classes and to experiment in group discussion techniques.

The Discussion and Debate Manual of the National University Extension Association will be provided as the basic reference to all schools planning to enter discussion or debate. The Manual and other materials will be sent to those schools which check discussion or debate in the order in which the membership dues are received. Membership entitles schools to receive one copy of each volume of the Manual free.

Speech

The spring forensic program provides a wealth of opportunity to enjoy speech activities in many forms and to compete with the talent from the whole state. Beginning with local contests students are selected on the basis of excellence for participation in league, district and state contests. Special values can be gained by individual work on the part of the student in making a study of suitable material from which to cut humorous or serious declamations. A rich source list of literature from which cuttings may be made will be found in *Aims, Definitions, and Rules*. This publication will be sent to member schools along with a copy of *Winning Orations* and the new declamations prepared this year by the state office.

Part IV

ANNUAL REPORT

INTRODUCTION

An annual report can only measure the numbers, percentages, and statistics concerning activities of the Wisconsin High School Forensic Association. The real purpose of the organization is more than sponsoring contests and giving awards. One of our main objectives is to provide assistance in improving the quality of speech work in the high schools of Wisconsin. To help achieve this goal, a series of educational experience are provided through which boys and girls may develop abilities to investigate thoroughly, to think critically, and to express themselves clearly both individually and as members of a group. This Association, like any growing organization, must be a dynamic one in its outlook. Each year it should be our task not only to review the achievements of the past year, but to examine the activities sponsored and to appraise them in the light of these objectives.

The financial accounting of the funds with which we have been entrusted appears on page 20.

Board of Control

Two meetings of the Board of Control were held this past year; one in Milwaukee in November, the other in Madison in April. Minutes of the Board meetings may be examined by any member of the Association.

In the elections for Board members last fall, the following new men were elected:
 Oshkosh District—Walter Schmidt, Kaukauna
 Whitewater District—George Buckingham, Whitewater
 La Crosse District—Herman Laatsch, Elroy*

Re-elected for three-year terms were:
 Platteville District—Harold Gall, Lancaster
 Central Section—Erwin Marquardt, Wausau

*Appointed for one-year term.
