## INVITATION TO MEMBERSHIP

Last year 466 high schools in Wisconsin joined the Wisconsin High School Forensic Association. In becoming members of the Association they made available to their students opportunities for development beyond those afforded by the regular curriculum.

All schools in Wisconsin, public or private, offering work at the 9th, 10th, 11th, or 12th grade levels are eligible to join the Association. Junior high schools as well as senior high schools may become members; however, only their 9th grade students may compete in WHSFA contests.

The activities sponsored or stimulated by the Association especially for the benefit of its members are all part of a large three-fold program:

1. Inter-school contests are held in drama, debate, and the speech activities of extemporaneous speaking, four-minute speech, original oratory, public address, significant speeches, interpretative reading of poetry, interpretative reading of prose, memorized declamation, and play acting.
2. Institutes providing instruction in various speech fields, for both teachers and students, are conducted on many college campuses in the state. These institutes, co-sponsored or encouraged by the Association, are offered by the University, the Wisconsin State Universities, and private colleges.
3. Instructional aids in the areas of speech are provided by the Association. Member schools receive such items as play lists, bibliographies of speech and drama books, and materials for use in different contests.

The Wisconsin High School Forensic Association is managed by an elected Board of Control comprised of twelve members. Nine are high school principals or administrators who serve as chairmen of the nine districts. Three are speech coaches who function as chairmen of the three sections.

Policies and rules of the Association are prescribed by the Board. These are administered by the secretary-treasurer of the WHSFA, who is a University of Wisconsin faculty member employed and paid by University Extension, which also provides the space and equipment for the state office.

The annual membership dues are payable on or before October 1 of each year. They cover a membership year which begins on September 1, and are as follows:

*\*\$15 for schools with an enrollment of 149 or less*

*\$25 for schools with an enrollment of 150 to 349*

*\$30 for schools with an enrollment of 350 or more*

We hope you will consider the activities of the Association to be a worthwhile part of your school program. We also hope the name of your school will be on the 1967-68 membership roster of the Wisconsin High School Forensic Association.

\* This new schedule of annual membership dues was adopted by the Board of Control at its spring meeting on May 4-5, 1967. It goes into effect in 1967-68.

## Part I

## GENERAL INFORMATION

ANNUAL DUES MUST BE PAID ON OR BEFORE OCTOBER 1. THE BOARD OF CONTROL HAS RULED THAT A SCHOOL WHICH FAILS TO PAY ITS DUES BY OCTOBER 1 MAY NOT PARTICIPATE IN ANY ASSOCIATION ACTIVITY.

## Registration

In the fall of the year each school will receive registration cards and a statement requesting payment of dues. The cards are to be filled out completely and returned with a check for dues.

The statement is sent to simplify the payment of dues for some schools. It may be forwarded to the Board of Education or the Student Fund Treasurer. If this procedure is followed, the filled-out registration cards should be forwarded along with the statement so the cards and the check for dues will reach the WHSFA state office together.

Filling out the registration cards completely will let the WHSFA administration know in what contests your school plans to participate. When the state office receives the registration cards from you, one copy will be kept in the secretary-treasurer's file and the other sent to your district chairman. In this way he will know what schools in his district have paid their dues, what contest activities a school plans to enter, and the names of the coaches in charge of those activities. Schools for which a district chairman has registration cards are organized into sub-districts and are put on his mailing list to receive letters and bulletins he sends out with information about contests.

When your dues are received, you will automatically be mailed a packet of free materials. Since the state office is deluged in the fall, the processing of packets takes a few weeks. Packets will be sent out in the order in which dues are received. They contain:

Two copies of the WHSFA *Contest Handbook*.

A collection of short stories for use in declamation and in reading contests.

A list of declamations for sale by the Association.

Order blank for forensic materials.

Debate materials (if you check *debate* on the registration card).

## Newsletters

*Newsletters* are published each year in September, November, February, and May. Four copies of each *Newsletter* will be sent to the principal of every member school for distribution to the coaches.

## Districts and Sections

For information about sub-district and district contests write directly to your district chairman. For information about sectional contests write directly to your sectional chairman, and for information about state contests write the secretary-treasurer in Madison.

If you do not know which district you are in, consult the list of member schools in the back part of this *Newsletter*. The names of the district and sectional chairmen are on the inside front cover of this *Newsletter*.

## Elections

The WHSFA Board of Control is comprised of 12 members; the nine district chairmen are school administrators while the three sectional chairmen are speech teachers or coaches. Board members are elected by schools within the district or section for the three-year terms; four members are elected each year. District chairmen and sectional chairmen may be re-elected.

In October, 1967 elections will be held in the following districts and section:

District or Section	Incumbent
Stevens Point District	J. C. Gillmann, Marathon
Superior District	Gordon L. Nelson, Maple
Milwaukee District	Walter J. Mountain, Oak Creek
Eau Claire District	Arthur D. Spoolman, Cumberland (Resigned)
Northern Section	Marylou Patterson, Eau Claire Memorial

An election in the Eau Claire District this October is necessary because of Mr. Spoolman's resignation from the Board of Control at the end of the 1966-67 school year. Mr. Spoolman has accepted a new position starting this fall; he will be the Superintendent of Schools in Hayward. Since Hayward is not within the Eau Claire District a new district chairman will need to be elected to fill the remainder of Mr. Spoolman's unexpired term.

## Calendar

At its spring meeting held in Madison on May 4-5, 1967, the Board of Control adopted a new five-year calendar of contest dates. This calendar revises the dates of the spring speech contests, providing a four-week period between the district contests and the state contest. Because of the increase in the number of contestants coming to the state finals, four weeks are required by the state office to collect the necessary information, prepare the contest schedule, have the programs printed, and mail them to the member schools in ample time before the contest.

The calendar for 1967-68 is shown on the inside front cover of this *Newsletter*. The complete five-year calendar, 1967-68 through 1971-72, which was adopted by the Board is printed on p. 5. By publishing the WHSFA contest dates five years in advance, it is hoped that conflicts with other activities may be avoided.

## Drama

In 1966-67 and 1967-68 the state office will publish a list of Recommended Plays instead of a list of Approved Plays. A school may use any play it wishes in the drama contest during the two-year trial period; however, a choice from the recommended list is strongly urged.

With respect to original plays, in 1966-67 and 1967-68 schools need not submit such plays to the Advisor in Drama for approval. However, original plays may be sent to the Advisor, Professor Kamarck, for his counsel and advice.

As in the past, a school entering the drama contest must send to the state office on or before October 1 the name and author of the play it has chosen. If the final choice of play has not been determined by October 1, the names of those in preparation are to be submitted.

## Debate

## OFFICIAL WHSFA DEBATE PROPOSITION FOR 1967-68

*Resolved: That Congress should establish uniform regulations to control criminal investigation procedures.*

The *Forensic Quarterly* of the National University Extension Association will be made available to all schools planning to enter debate, as the basic reference. Other materials will be sent to those schools that check *debate*, in the order in which the membership dues are received.

### Speech

The spring forensic program provides students an opportunity to participate in a variety of activities and to compete with talent from the entire state. Beginning with local contests, students are selected on the basis of excellence for participation in the district and state contests. Detailed information about the different contest events will be found in the 1967-68 WHSFA *Contest Handbook*. This publication will be sent to member schools along with a collection of short stories for use in the declamation and interpretative reading of prose contests.

### Speech Institutes

The Departments of Speech in the universities and several private colleges in Wisconsin often provide an extra measure of service to the high schools in the state by sponsoring speech institutes during the school year. These special programs are co-sponsored or encouraged by the Wisconsin High School Forensic Association.

Listed below are those institutes reported to the state office in response to an inquiry sent out last spring. If you know of an institute which is not listed, please inform the secretary-treasurer so it can be announced in a subsequent *Newsletter*.

## Part IV ANNUAL REPORT

While the educational benefits provided through the WHSFA can not be measured, it is possible to record the activities of the Association. The reports which follow reveal the scope of the WHSFA program in 1966-67 and the achievements of the thousands of Wisconsin students who participated in it.

### BOARD OF CONTROL

In the annual election held last fall, four Board members were elected or re-elected to three-year terms. Re-elected were Mr. Ervin C. Marquardt, Chairman of the Central Section, and Mr. George Buckingham, Chairman of the Whitewater District. Elected were Mr. Peter C. Hamel, Chairman of the Oshkosh District, and Mr. Herman Laatsch, Chairman of the Platteville District. Mr. Walter J. Mountin was elected Chairman of the Milwaukee District for one year to fill the unexpired term of Mr. Frank Sirianni who had resigned.

The Board of Control held two meetings in 1966-67, one in November and one in May. Minutes of the Board meetings are available to any member school upon request.
