INVITATION TO MEMBERSHIP

Last year 460 high schools in Wisconsin joined the Wisconsin High School Forensic Association. In becoming members of the Association they made available to their students opportunities for development beyond those afforded by the regular curriculum.

All schools in Wisconsin, public or private, offering work at the 9th, 10th, 11th, or 12th grade levels are eligible to join the Association. Junior high schools as well as senior high schools may become members; however, only their 9th grade students may compete in WHSFA contests.

The activities sponsored or stimulated by the Association especially for the benefit of its members are all part of a large three-fold program:

1. Inter-school contests are held in drama, debate, and the speech activities of extemporaneous speaking, four-minute speech, original oratory, public address, significant speeches, interpretative reading of poetry, interpretative reading of prose, memorized declamation, and play acting.
2. Institutes providing instruction in various speech fields, for both teachers and students, are conducted on many college campuses in the state. These institutes, co-sponsored or encouraged by the Association, are offered by the University, the Wisconsin State Universities, and private colleges.
3. Instructional aids in the areas of speech are provided by the Association. Member schools receive such items as play lists, bibliographies of speech and drama books, and materials for use in different contests.

The Wisconsin High School Forensic Association is managed by an elected Board of Control comprised of twelve members. Nine are high school principals or administrators who serve as chairmen of the nine districts. Three are speech coaches who function as chairmen of the three sections.

Policies and rules of the Association are prescribed by the Board. These are administered by the secretary-treasurer of the WHSFA, who is a University of Wisconsin faculty member employed and paid by University Extension, which also provides the space and equipment for the state office.

The annual membership dues are payable on or before October 1 of each year. They cover a membership year which begins on September 1, and are as follows:

- \$13.00 for schools with enrollment of 149 or less
- \$15.50 for schools with enrollment of 150 to 349
- \$18.00 for schools with enrollment of 350 or more

We hope you will consider the activities of the Association to be a worth-while part of your school program. We also hope the name of your school will be on the 1966-67 membership roster of the Wisconsin High School Forensic Association.

Part I GENERAL INFORMATION

ANNUAL DUES MUST BE PAID ON OR BEFORE OCTOBER 1. THE BOARD OF CONTROL HAS RULED THAT A SCHOOL WHICH FAILS TO PAY ITS DUES BY OCTOBER 1 MAY NOT PARTICIPATE IN ANY ASSOCIATION ACTIVITY.

Registration

In the fall of the year each school receives a registration card and a statement requesting payment of dues. The card is to be filled out completely and returned with a check for dues.

The statement is sent to simplify the payment of dues for some schools. It may be presented to the Board of Education or the Student Fund Treasurer. If this procedure is followed, the filled-out registration card should be forwarded along with the statement so the card and the check for dues will reach the state office together.

Filling out the registration card completely lets the WHSFA administration know in what contest programs your school plans to participate. When the state office receives the registration card from you, a duplicate is made for the secretary-treasurer's file and the original is sent to your district chairman. In this way he knows what schools in his district have paid their dues, what contest activities a school plans to enter, and the names of the coaches in charge of those activities. Schools for which a district chairman has registration cards are organized into sub-districts and are put on his mailing list to receive letters and bulletins he sends out with information about contests.

When your dues are received, you will automatically be mailed a packet of free materials. Since the state office is deluged in the fall, the processing of packets takes a few weeks. Packets will be sent out in the order in which dues are received. They contain:

- A copy of the WHSFA *Contest Handbook*.
- Copies of new declamations prepared for the year.
- A list of other declamations for sale by the Association.
- Order blank for forensic materials.
- Debate materials (if you check debate on the registration card).

Newsletters

Newsletters are published each year in September, November, February, and May. Copies are provided for the principal and the coach, but both are sent to the principal. The coach's copy will be of maximum benefit if the principal forwards it promptly.

Districts and Sections

For information about sub-district and district contests write directly to your district chairman. For information about sectional contests write directly to your sectional chairman, and for information about state contests write the secretary-treasurer in Madison.

If you do not know which district you are in, consult the list of member schools in the back part of this *Newsletter*. The names of the district and sectional chairmen are on the inside front cover of this *Newsletter*.

Calendar

The calendar for 1966-67, which was adopted by the Board of Control, is announced on the inside front cover of this *Newsletter*. It is hoped that all sub-districts, districts, and sections will cooperate by planning their activities to fit this schedule. Conflicts with other school and community events, such as proms, music festivals, and other special days should be avoided if possible.

Elections

In October, elections will be held in the following districts and section.

<i>District or Section</i>	<i>Incumbent</i>
Oshkosh District	Darrell Larson
Platteville District	Philip Myott
Whitewater District	George Buckingham
Milwaukee District	Frank Sirianni
Central Section	E. C. Marquardt

The present chairmen of the Oshkosh and Platteville Districts, Mr. Larson and Mr. Myott, have announced they will not be candidates for re-election. An election this October in the Milwaukee District is necessary because of Mr. Sirianni's resignation from the Board on July 8, 1966. The pressures of school matters in his school district made it necessary for him to resign.

Drama

In 1966-67 and 1967-68 the state office will publish a list of *Recommended Plays* instead of a list of *Approved Plays*. A school may use any play it wishes in the drama contest during the two-year trial period; however, a choice from the recommended list is strongly urged.

With respect to original plays, in 1966-67 and 1967-68 schools need not submit such plays to the Advisor in Drama for approval. However, original plays may be sent to the Advisor, Professor Kamarek, for his counsel and advice.

As in the past, a school entering the drama contest must send to the state office on or before October 1 the name and author of the play it has chosen. If the final choice of play has not been determined by October 1, the names of those in preparation are to be submitted.

Debate

PROBLEM AREA FOR DISCUSSION AND DEBATE 1966-67

The official debate problem area for the 1966-67 school year will be: *What should be the foreign aid policy of the United States?*

The Discussion and Debate Manual of the National University Extension Association will be made available to all schools planning to enter debate, as the basic reference. Other materials will be sent to those schools that check debate, in the order in which the membership dues are received.

Speech

The spring forensic program provides students an opportunity to participate in a variety of activities and to compete with talent from the entire state. Beginning with local contests, students are selected on the basis of excellence for participation in the district and state contests. Detailed information about the different contest events will be found in the 1966-67 WHSFA *Contest Handbook*. This publication will be sent to member schools along with the new declamations prepared this year by the state office.

Speech Institutes

The Departments of Speech in the universities and several private colleges in Wisconsin provide an extra measure of service to the high schools in the state by sponsoring speech institutes during the school year. These special programs are co-sponsored or encouraged by the Wisconsin High School Forensic Association.

Listed below are those institutes reported to the state office in response to an inquiry sent out last spring. If you know of an institute which is not listed, please inform the secretary-treasurer so it can be announced in a subsequent *Newsletter*.

If the tardy squad is not ready within 15 minutes of the scheduled starting time, it shall forfeit the round to the opposition.
 - f. Unless the contest manager has good reason to believe that a squad which did not appear for the first round will be ready to debate at the beginning of the second round, he shall, during the first round, re-schedule the succeeding rounds. Ten minutes before the second round, he shall post the original schedule if the late squad has arrived, or the revised schedule if the late squad has not arrived. No change shall be made after the posting of schedules.

ANNUAL REPORT

INTRODUCTION

An annual report can measure only the numbers, percentages, and statistics concerning activities of the Wisconsin High School Forensic Association. The real purpose of the organization is more than sponsoring contests and giving awards. One of our main objectives is to provide assistance in improving the quality of speech work in the high schools of Wisconsin. To help achieve this goal, a series of educational experiences are provided through which high school students may develop abilities to investigate thoroughly, to think critically, and to express themselves clearly both individually and as members of a group. This Association, like any growing organization, must be a dynamic one in its outlook. Each year it should be our task not only to review the achievements of the past year, but to examine the activities sponsored and to appraise them in the light of these objectives.

The financial accounting of the funds with which we have been entrusted follows.

Board of Control

Two meetings of the Board of Control were held this year, one in Milwaukee

in November, the other in Madison in May. Minutes of the Board meetings may be examined by any member of the Association.

In the elections for Board members last fall, the following new members were elected:

<i>District or Section</i>	
Southern Section	Arthur S. McMillion, West Bend (re-elected)
Eau Claire District	Arthur D. Spoolman Cumberland
La Crosse District	Edwin G. Sievers, Viroqua (re-elected)
River Falls District	Fred Lundberg, Clayton (re-elected)
