IN MEMORIAM

ANDREW T. WEAVER

1890-1965

"Teacher of youth, teacher of teachers, teacher of the Wisconsin High School Forensic Association. Dr. Andrew T. Weaver, teacher of speech for fifty years was all of these--and more."

The words quoted are part of a tribute paid to Professor Weaver by the WHSFA Board of Control in November, 1961 in recognition of his 31 years of service to the Association as Advisor in Speech. It is fitting to repeat them in this brief eulogy of a man whose impact on the field of speech in our state and in our nation defies measurement.

Born in Waukesha, Andrew T. Weaver attended Carroll College, receiving his B. A. degree from that institution in 1910. The following year he came to the University of Wisconsin where he earned his M. A. and later his Ph. D.

After teaching at Tome School in Maryland, Dartmouth College, and Northwestern University, he returned to his native state in 1917 to become chairman of the Department of English and Speech at Whitewater State Teachers College. A year later he joined the faculty of the University of Wisconsin as a member of the Speech Department which then had one professor, one associate professor, and three assistant professors. He was acting department chairman from 1923 to 1924 and became permanent chairman from 1937 to 1954.

As president of the Speech Association of America and an editor of the Quarterly Journal of Speech, Professor Weaver proved himself a leader in his profession. As an author of text books his influence on teachers and students of speech extended to every part of our country, in colleges and high schools as well.

In a eulogy delivered at the recent meeting of the Wisconsin Speech Association, Dr. William Lamers, former director of the Marquette University School of Speech, said of Andrew T. Weaver, "To all with whom he came into contact he was the living embodiment of his theory that speech was the whole man communicating at his best."

BOARD OF CONTROL ELECTION

Last month, Board of Control elections were held to select chairmen for the Southern Section and the Eau Claire, La Crosse, and River Falls Districts. As provided in the WHSFA constitution, sectional chairmen are speech coaches, and district chairmen are school administrators. The following persons were elected to three-year terms, 1965-1968:

Southern Section -- Arthur S. McMillion, West Bend
(re-elected)
Eau Claire District -- Arthur D. Spoolman,
Cumberland
La Crosse District -- Edwin G. Sievers, Viroqua
(re-elected)
River Falls District -- Fred Lundberg, Clayton
(re-elected)

THANK YOU TO EX-BOARD MEMBERS

Mr. John Hoar, Principal of Barron High School, retired from the teaching profession last spring. He was Chairman of the Eau Claire District from 1962 to 1965 and would have been eligible for re-election to the Board of Control last month. His retirement left a vacancy on the Board which needed to be filled at the start of the school year, since outgoing chairmen remain in office until new members are elected.

To fill the vacancy, Mr. David Barnes, Principal of North High School in Eau Claire, was asked to be interim chairman from September to October 20. Mr. Barnes, a former member of the Board, graciously agreed.

The WHSFA is grateful to Mr. Hoar for the service he provided during his term of office. It is also most thankful to Mr. Barnes for accepting the interim appointment and making arrangements for the one-act play contest in the Eau Claire District.

CHANGE OF WHSFA SECRETARY-TREASURER

On July 10, 1965 Dr. Frederick E. Haug, Jr. resigned his position with the University Extension Department of Speech to accept an appointment as Associate Professor of Speech at the Wisconsin State University- Eau Claire. His resignation from University Extension also meant resigning from the office of WHSFA Secretary-Treasurer since the Association is affiliated with the Extension Speech Department.

Fred, as he is known to all of us, came to the University Extension Speech Department from West Allis High School in 1957. For one year he was a speech instructor in the Freshman-Sophomore Center Program in Menasha. In 1958 he moved to Madison to teach in the adult education program of the department and act as Assistant Secretary-Treasurer of the Wisconsin High School Forensic Association. From 1959 to 1965 he served the Association as its Secretary-Treasurer.

Having received his M. A. and Ph. D. from the University of Wisconsin, Fred now returned to the institution which granted him a B. S. in 1953. As a faculty member in the Speech Department of the State University in Eau Claire he assumes new academic responsibilities. Among them are the development of an expanded curriculum in rhetoric and public address, and advising students taking graduate work in that area. Other duties are supervising practice teaching and counseling graduating seniors in speech.

The contribution Fred has made to the WHSFA program during the eight years as an executive officer was recognized at the November meeting of the Board of Control. Unanimously the Board members passed a resolution lauding his work and leadership, and presented him a gift accompanied by best wishes for success in his new position.

Since Fred left, the office of WHSFA Secretary-Treasurer has been filled by Herman H. Brockhaus, Chairman of the University Extension Department of Speech. Dr. Brockhaus has been the Advisor in Speech to the Association since 1961 and has participated in its programs as a judge and institute instructor since 1946.

HIGHLIGHTS OF THE BOARD MEETING
November 2-3, 1965

The WHSFA Board of Control held its regular fall meeting in the Sheraton-Schroeder Hotel in Milwaukee on the evening of November 2nd and the morning of November 3rd. Major actions and topics considered are reported below.

1. A resolution commending and thanking Dr. Frederick E. Haug, Jr. for his work as Secretary-Treasurer of the WHSFA was adopted unanimously.

2. The chairman appointed a committee to start work on revising the WHSFA constitution to clarify some portions and bring others up to date.

3. A standing rule was enacted requiring all schools entering WHSFA debate competition to participate in a district tournament. Any district with seven or more schools competing in debate must hold its own tournament. A district with fewer than seven schools in debate must arrange to have those schools compete in a tournament of another district within the same section. This rule goes into effect this year, 1965-66.

4. A standing rule was enacted prohibiting the use of theatrical costumes in the play reading contest. This rule goes into effect this year, 1965-66.

5. A proposal by Prof. Kamarck, Advisor in Drama, to substitute a "Recommended Play List" for the "Approved Play List" on a two-year trial basis was considered.

6. Proposals by Mrs. Julia Mailer, Speech Consultant, and by Prof. Herman H. Brockhaus, Advisor in Speech, to substitute other contests for declamation and non-original oratory were considered. Action was postponed to the May meeting.

7. The Secretary-Treasurer was instructed to prepare an explanation of all proposed rule changes considered by the Board. The explanation will be presented to coaches at meetings held in conjunction with district spring speech contests. This procedure will provide the Board with reactions from coaches throughout the state before it resumes consideration of the proposed changes at its meeting in May.

WISCONSIN SPEECH ASSOCIATION NEWS

The annual meeting of the Wisconsin Speech Association was held in Heraty Hall, Marquette University, on November 5, 1965. Dr. Joseph B. Laine, Chairman of the Speech Department at the Wisconsin State University-Oshkosh, presided.

The program began with a eulogy of Andrew T. Weaver, Emeritus Professor of the University of Wisconsin and long-time Chairman of the Department of Speech. It was presented by Dr. William M. Lamers, former Director of the Marquette University School of Speech and now Assistant Superintendent of the Milwaukee Public Schools.

Dr. J. Jeffrey Auer, President of the Speech Association of America, gave the principal address. In his talk, "Who Speaks for Speech?" Dr. Auer emphasized the importance of the work done by organizations of speech teachers--state, regional, and national.

A symposium-forum on "Speech and the English-Language-Arts Curriculum Workshop" followed Dr. Auer's address. The speakers were Mrs. Helen Hanson, Teacher of speech and English in the Ripon public schools, and Mrs. Marylou Patterson, teacher of speech in the Eau Claire Memorial High School. Along with teachers of English, they had taken part in the Wisconsin English-Language-Arts Creative Workshop in Speaking and Writing held on the campus of the Wisconsin State University-River Falls last summer.

Both spoke of the congenial relationship and mutual respect between the representatives of the fields of speech and English in the workshop, although the English teachers outnumbered the two speech instructors several times over. Both speakers also expressed the belief that speech in Wisconsin schools will profit from the Wisconsin English-Language-Arts Curriculum.

In the business session of the WSA held before the program, several amendments to the constitution of the organization were enacted. Most important among them was one which liberalized the qualifications for membership in the WSA, and another which offered membership to undergraduate students, with lower dues.

WISCONSIN SPEECH ASSOCIATION NEWS (Cont'd.)

New officers elected were: Vice-president, Dr. Frederick E. Haug, Jr., Wisconsin State University-Eau Claire; Secretary-Treasurer, Miss Sue Sovich, Racine Horlick High School; members of the Executive Council: Mrs. Marylou Patterson, Eau Claire Memorial High School, and Mr. Kenneth F. Anderson, Fox Valley University Center.

Previously elected officers who will continue to serve during the coming year are: President, Dr. Joseph B. Laine, Wisconsin State University-Oshkosh; members of the Executive Council: Prof. William M. Dawson, Wisconsin State University-Stevens Point; Miss Mary Ann Katzor, Muskego High School; Mrs. Hermoine Knapp, Janesville High School; and Dr. Joseph M. Mazza, Wisconsin State University-Oshkosh. Dr. Mazza was also elected to the newly created position of Editor of the Wisconsin Speech Association Bulletin.

PUBLIC ADDRESS AREAS FOR 1965-66

In the Public Address contest this year the general problem area is: "What is the best method of choosing the President and Vice-president of the United States?" The specific areas change from one contest level to the next:

Sub-district: "How can the system of nominating candidates for the Presidency and Vice-presidency be improved?"

District: "How can the system of electing the President and Vice-president be improved?"

State: "How can the system of Presidential and Vice-presidential succession be improved?"

OFFICIAL 1965-66 DEBATE PROPOSITION

The official debate proposition to be used in all debate competition sponsored by the WHSFA in 1965-66 is:

Resolved: That the federal government should adopt a program of compulsory arbitration in labor-management disputes in basic industries.

This proposition was chosen by an appointed committee comprised of Professors Brembeck, Bitzer, and Day. The committee, faculty members of the University Speech Department in Madison, confirmed the preference of Wisconsin high school debate coaches as expressed in the preferential balloting conducted last September.

The second choice of the coaches was the proposition relating to union membership as a condition of employment. The third choice pertained to industry-wide collective bargaining.

A note of interest is the number of schools which expressed their intent to participate in debate this year, on their membership registration cards; 191 schools indicated they would enter debate competition.

LOAN MATERIAL ON DEBATE PROPOSITION

As in previous years, the University Extension Library has material pertinent to the current debate proposition. It is available to Wisconsin schools on a loan basis. The material consists mainly of clippings, pamphlets, and government documents. Debate coaches interested in this service should write to:
