INVITATION TO MEMBERSHIP

The Wisconsin High School Forensic Association again invites your membership in a three-fold program designed to provide your students with training and experience in various fields of speech. If your school offers work at the 9th, 10th, 11th, or 12 grade levels, you are eligible to join with and share in these Association services:

1. An institute program is conducted in cooperation with the University, the Wisconsin State Universities, and private colleges in the state. Here is an opportunity, at the institution nearest you, for teachers and students to receive valuable instruction in various speech fields.
2. Inter-school contests are held in drama, debate, and the individual speech activities of declamation, oratory, interpretative reading, play reading, public address, extemporaneous speaking and four minute speaking.
3. WHSFA membership provides help to teachers in the form of lists of recommended books on the teaching of speech, lists of plays, and sources of material. Speech advisors of the University of Wisconsin are available to answer questions about the conduct of your speech training programs.

The Association is managed by a Board of Control of twelve members, nine high school principals serving as chairmen of the nine districts and three speech coaches as chairmen of the three sections. Policies and rules are prescribed by this Board. The secretary-treasurer is employed and paid by the University Extension Division, which also provides the necessary office space.

The annual dues are payable on or before October 1 of each year. These dues covering a membership year corresponding to the regular school year are as follows:

\$13.00 for schools with enrollment of 149 or less
\$15.50 for schools with enrollment of 150 to 349
\$18.00 for schools with enrollment of 350 or more

We hope you will find the activities of the Association a worth-while addition to your school program. Write and ask us whatever questions you may have, or write directly to your district or sectional chairman.

Part I GENERAL INFORMATION

ANNUAL DUES MUST BE PAID ON OR BEFORE OCTOBER 1. THE BOARD OF CONTROL HAS RULED THAT A SCHOOL WHICH FAILS TO PAY ITS DUES BY OCTOBER 1 MAY NOT PARTICIPATE IN ANY ASSOCIATION ACTIVITY.

Registration

Each school receives in the fall of the year a registration card and a statement requesting payment of dues. The registration card should be filled out completely and returned with the check for dues. The statement is sent to simplify your payment of dues. It may be presented to your Board of Education or Student Fund Treasurer. *If you do this, please forward the filled-out registration card with it so that the card and check for dues will come to our office together.*

Filling the card out completely enables us to know in which events your school will participate. Free material is sent *only* for the activities checked on the card. When our office receives the registration card from you, a duplicate is made for our files and the original sent to the district chairman. In this way he knows which schools have paid dues. These schools are organized into sub-districts and put on his mailing list to receive letters and bulletins that he sends out with information about contests.

When your dues are received, you will automatically be mailed a packet of free materials. However, you may not receive it by return mail. The state office is deluged in the fall and the processing of packets may take a few weeks. Packets will be sent out in the order in which dues are received. They contain:

- Copies of new declamations prepared for the year.
- A list of other declamations for sale by the Association.
- A copy of *Winning Orations*.
- Debate materials (if you check debate on the registration card.)
- Order blank for forensic materials.
- A copy of *Aims, Definitions and Rules of Drama, Debate, and Speech Contests*.

Newsletters

Newsletters are published each year in September, November, February, and May. Copies are provided for the principal and the coach, but both are sent to the principal. If you are not receiving these publications of the Association or if you would like additional copies, please notify the state office.

Districts and Sections

For information about sub-district and district contests write directly to your district chairman. For information about sectional contests write directly to your sectional chairman, and for information about state contests write the secretary-treasurer in Madison.

If you do not know which district you are in, consult the list of member schools on page 60. The names of the district and sectional chairmen are on the inside front cover of this *Newsletter*.

The calendar for 1965-66, which was adopted by the Board of Control, is announced on the inside front cover of this *Newsletter*. One Act Plays

Selections for the one-act play contest must be made from the list of Approved Plays 1965 (white cover) except for the alternative noted below. Single copies of any approved plays may be borrowed, for examination purposes only, from the library of the University of Wisconsin Extension Division. Production copies of the play you select must be ordered directly from the publisher.

Any school may enter an original one-act play written by the students or faculty of that school provided that it is submitted to our advisor in drama, Professor Edward Kamarck, before October 1, and for which final approval has been granted by October 15.

We refer you to the selected list of books on play production listed on page 20 of this *Newsletter*.

Schools not entering the one-act contest anxious to give their students a drama experience will be interested in the play-reading event in the spring speech contest. See page 17 for rules.

Debate

PROBLEM AREA FOR DISCUSSION AND DEBATE 1965-66

The official debate problem area for the 1965-66 school year will be: *What policy in labor-management relations will best serve the people of the United States?*

The question provides an excellent opportunity to correlate debate work with the social studies classes and to experiment in group discussion techniques.

The Discussion and Debate Manual of the National University Extension Association will be provided to all schools planning to enter debate, as the basic reference. The Manual and other materials will be sent to those schools that check debate, in the order in which the membership dues are received.

Speech

The spring forensic program provides students an opportunity to enjoy speech activities in many forms and to compete with the talent from the entire state. Beginning with local contests students are selected on the basis of excellence for participation in the district and state contests. Special values can be gained by individual work on the part of the student in making a study of suitable material from which to cut declamations. A rich source list of literature from which cuttings may be made will be found in *Aims, Definitions, and Rules*. This publication will be sent to member schools along with a copy of *Winning Orations* and the new declamations prepared this year by the state office.

Part IV

ANNUAL REPORT

INTRODUCTION

An annual report can only measure the numbers, percentages, and statistics concerning activities of the Wisconsin High School Forensic Association. The real purpose of the organization is more than sponsoring contests and giving awards. One of our main objectives is to provide assistance in improving the quality of speech work in the high schools of Wisconsin. To help achieve this goal, a series of educational experiences are provided through which boys and girls may develop abilities to investigate thoroughly, to think critically, and to express themselves clearly both individually and as members of a group. This Association, like any growing organization, must be a dynamic one in its outlook. Each year it should be our task not only to review the achievements of the past year, but to examine the activities sponsored and to appraise them in the light of these objectives.

The financial accounting of the funds with which we have been entrusted appears on page 23.

Board of Control

Two meetings of the Board of Control were held this year, one in Milwaukee in November, the other in Madison in May. Minutes of the Board meetings may be examined by any member of the Association.

Milwaukee District—Frank Sirianni, Menomonee Falls

Stevens Point District—J. C. Gillmann, Marathon
