

It is always rewarding every year after the Wisconsin State Speech Festival to congratulate the students who medaled at State. Each student has brought their personal best to the Festival. This year WSHFA had four students receive 25 points for the fourth consecutive year. Interestingly none of these students did it in one category but have scored 25 in a variety of categories.

Breana Brockmann from Merrill High has scored gold in Group Interpretation, Four Minute Speech, Farrago and Oratory. Congratulations to Breana and head coach and mother Sue Brockmann.

Brittany Melby of Iowa-Grant High School, Livingston, WI also won her fourth gold medal.

Sidney Quade of Central Wisconsin Christian High School in Waupun won her fourth gold medal in Group Interpretation. She worked with three different groups.

Three students from Darlington have also scored perfect four year records: Cody Carpenter scored gold in Farrago, Group Interpretation, and Play Acting; Kalyn Hunter scored gold in Farrago, Storytelling, Group Interpretation and Play Acting; Abigail Wedig scored gold in Special Occasion, Oratory, and Moments in History. Congratulations to Cody, Kalyn and Abigail and head coach Carmen Rielly.
