### Extemporaneous Speech rubric

#### Topic

Score: 4

How does the speaker directly answer the question chosen? Is the response well-defined?

Great intro to set up your speech. Practice through it a few more times to make sure your thoughts flow smoothly.

#### Content/Organization

Score: 5

Is the speech well-developed and organized? Does the speech have a clear introduction, body, and conclusion with effective transitions? Does the speaker support the response with evidence and reasoning and cite credible sources appropriately?

Your research on your topic is apparent. Good flow of your topic from one point to another. You've provided citations that were embedded in your speech.

#### Style of Delivery

Score: 3

How does the speaker utilize quality word choices? How are effective language skills utilized throughout the speech? How does the style of delivery help the speech flow?

Your word choices are appropriate for your speech. Watch that your sentences aren't becoming run-ons. Make sure to pause, breathe, and begin your next thought.

#### Vocal Delivery

Score: 3

How does the speaker utilize effective vocal techniques? Are pitch, volume, and rate appropriate? Are articulation and pronunciation clear and correct?

Your voicing was really clear. Experiment with your volume to add some emotion to your speech. The more you practice with words you will use, the better your voicing will flow, and the less detached some parts will sound.

#### Physical Delivery

Score: 4

How does the speaker utilize appropriate physical techniques? How do gestures and movement enhance the presentation? Does the speaker utilize appropriate eye contact and facial expressions to engage the audience?

Your poise and presence were great. Good use of space by moving from one place to another. The more you practice, the more confidence you will gain and the less you will have to rely on your notes.
