Impromptu Speech rubric

Topic

Score: 4

How does the speaker directly answer the prompt chosen? Is the response well-defined?

You stayed on topic, but there was a lack of focus. Be sure to have a plan in mind.

Content/Organization

Score: 3

Is the speech well-developed and organized? Does the speech have a clear introduction, body, and conclusion with effective transitions? Does the speaker support the response with relevant personal insight, examples, reasoning, and utilize examples to their best knowledge?

I like the personal experience and examples of bumper stickers, etc. You were lacking a central point, so it felt like you were wandering around a bit, which makes having a clear intro, body and conclusion difficult.

Style of Delivery

Score: 4

How does the speaker utilize quality word choices? How are effective language skills utilized throughout the speech? How does the style of delivery help the speech flow?

It was easy to listen to you and follow what you were saying, but there was nothing outstanding about the word choice - don't be afraid to pull out more imagery and words with specificity and sparkle to add more interest.

Vocal Delivery

Score: 5

How does the speaker utilize effective vocal techniques? Are pitch, volume, and rate appropriate? Are articulation and pronunciation clear and correct?

You are clear and easy to listen to. :)

Physical Delivery

Score: 5

How does the speaker utilize appropriate physical techniques? How do gestures and movement enhance the presentation? Does the speaker utilize appropriate eye contact and facial expressions to engage the audience?

Well done. Your gestures are smooth and natural.
